

## **NSCB and Office of the UN Resident Coordinator Conduct Consultative Meeting on the MDG Indicators**

The National Statistical Coordination Board in coordination with the Office of the UN Resident Coordinator will be conducting a Consultative Meeting on the Millennium Development Goals (MDG) Indicators to be held on June 18, 2004, 9:00 am to 2:00 pm Tiara Oriental Hotel 7248 Malugay St. corner Talisay St. San Antonio Village, Makati City

During the Meeting the following concerns will be discussed:

1. formulation of immediate measures to address data gaps based on the current set of statistics;
2. development of an action plan to resolve other issues such as inclusion/addition of more appropriate indicators; setting of more realistic periodicity of updating, among others, and
3. implementation and monitoring of these statistical development programs.

Invited to attend the Meeting are the official sources of statistics/ indicators/data series for the measurement/monitoring of the MDGs and selected oversight agencies and local government units and non-government organizations.
