PSA Board Resolution No. 01 Series of 2014

ADOPTING THE METHODOLOGY USED IN GENERATING THE 2010 CENSUS OF POPULATION AND HOUSING-BASED NATIONAL POPULATION PROJECTIONS

WHEREAS, there is a need to prepare population projections to provide planners, policy-makers and program managers with population data between censal years;

WHEREAS, Executive Order No. 352: "Designation of Statistical Activities that Will Generate Critical Data for Decision-Making of the Government and the Private Sector", enables the identification and generation of the most critical and essential statistics required for social, economic, and environmental planning/analysis;

WHEREAS, the generation of census-based population projections is one of the designated statistical activities;

WHEREAS, the availability of more recent population data based on the 2010 Census of Population and Housing (CPH) released on 4 April 2012 allows the preparation of new sets of population projections;

WHEREAS, the former National Statistics Office (NSO), through the Inter-Agency Working Group on Population Projections (IAWG-PP) established on 11 March 2013, formulated the specific methodology proposed to be used in projecting the population based on the cohort-component method and submitted the same for review by the then Technical Committee on Population and Housing Statistics (TCPHS) on 14 October 2013;

WHEREAS, the 2010 census-based national population projections methodology assumed future trends in the demographic processes of fertility, mortality, and migration required by the cohort-component method of population projections, provided in Annex BR-01-20140314-01;

WHEREAS, the TCPHS has endorsed the official methodology for the generation of the 2010 census-based population projections at the national level for approval by the Board;

NOW, THEREFORE, BE IT RESOLVED AS IT IS HEREBY RESOLVED, that the Board approve for adoption by all concerned the methodology for estimating the 2010 census- based national population projections.

BE IT RESOLVED FURTHER THAT:

1. National estimates therefrom, to be released by the PSA, be hereby endorsed as the official figures to be utilized for planning and programming purposes;
2. The 2010 census-based population projections at the regional and provincial levels likewise be prepared by the IAWG-PP and the PSA for approval of the Board.

Approved this 14th day of March 2014, in Quezon City.
