

# PRESS RELEASE

## **PSA continues institutional registration for convenient, safer access of more Filipinos to PhilSys**

Date of Release: 08 October 2021  
Reference No. 2021-422

The Philippine Statistics Authority (PSA) proceeds with the Philippine Identification System (PhilSys) registration of more Filipinos as the agency intends to conduct more institutional registrations in coordination with government agencies, homeowners' associations, exclusive residences, non-government organizations, and private companies.

The institutional registration strategy aims to accommodate the formal sector by ensuring that the working population from both government and private institutions have a safe and convenient PhilSys registration.

*“In the same manner that we reach out to local government units to assist in the registration of low-income households and the general population, our efforts also extend to reaching out to middle-class and upper-class income families for them to register to PhilSys via institutional registration. We want every Filipino to take the opportunity to register as we move towards the digital society, we envision with PhilSys,”* said Assistant Secretary Rosalinda P. Bautista, Deputy National Statistician of the PhilSys Registry Office.

On 01 October 2021, PSA started the month-long institutional registration for the members of the Ortigas Center Association, Inc. (OCAI) in Pasig City. In coordination with PSA, OCAI scheduled members per building for an orderly and safe registration of residents.

Among the registrants who completed Step 2 Registration with OCAI is Socioeconomic Planning Secretary Karl Kendrick T. Chua of the National Economic and Development Authority.

As part of the institutional registration strategy, PSA continues its close coordination with government agencies and private businesses for the PhilSys registration of their staff, employees, customers, and clients.

Further, institutional registration is also being implemented at subdivisions, villages, and condominiums in select areas. Homeowners, through this strategy, may complete their Steps 1 and 2 Registration sequentially.

PSA Central Office entertains requests for institutional registrations from the National Capital Region (NCR) via [ons.staff@psa.gov.ph](mailto:ons.staff@psa.gov.ph) while those interested from areas outside NCR are encouraged to coordinate with their local PSA Regional or Provincial Office. Check out the directory of PSA Field Offices [here](#).

As of 01 October 2021, a total of 42,969,528 registrants have already completed Step 1 Registration. As part of this milestone, the institutional registration strategy which started in April this year, has recorded a total of 889,666 registrations as of 30 September 2021.

With the current registration strategies, PSA steadily drives itself towards PhilSys' goal of registering at least 50 million Filipinos by the end of the year.

For the latest on PhilSys, visit the official PhilSys website ([www.psa.gov.ph/philsys](http://www.psa.gov.ph/philsys)) or Facebook page ([www.facebook.com/PSAPhilSysOfficial/](https://www.facebook.com/PSAPhilSysOfficial/)). You may also reach the PhilSys Registry Office via hotline number 1388 or e-mail at [info@philsys.gov.ph](mailto:info@philsys.gov.ph). For the online Step 1 registration, kindly go to [register.philsys.gov.ph](http://register.philsys.gov.ph).
