* Starting 2011, Miscellaneous services now includes FISIM, Maintenance and Repairs n.i.e. and excludes Merchandising, following the recommendations of the 2008 System of National Accounts (SNA). PSA will back track the series as soon as the revised Balance of Payments (BOP) data for the years prior to 2011 are released by the Bangko Sentral Ng Pilipinas, reflecting its adoption of the Balance of Payments Manual 6 (BPM6). Hence, at present there is a break in the National Accounts series for this item from 2010 backwards.
