

CBMS Logo-Making Contest Guidelines, and Mechanics

I. Introduction

Republic Act (RA) No. 11315, also known as the “Community-Based Monitoring System (CBMS) Act,” was signed into law by President Rodrigo Roa Duterte on 17 April 2019. The said Act mandates the Philippine Statistics Authority (PSA) as the lead agency in the implementation of the CBMS in generating updated and disaggregated data for policies and programs at the national and local levels to alleviate poverty and promote economic development. With the aimed institutionalization of the CBMS, there is a need for advocacy programs and campaign activities that will introduce and promote CBMS to all, especially to its stakeholders. Symbols such as logo, tagline, and jingle are important elements of the advocacy that will help get attention, create curiosity, and interest and invitation to support and participate in the CBMS. The CBMS Logo-Making Contest is one of such advocacy initiatives of the PSA.

The winning entry will be used by the PSA in its CBMS advocacy, promotions, and other related activities.
