

## AGRICULTURE, HUNTING & FORESTRY SECTOR (Total Employment of 20 and Over)

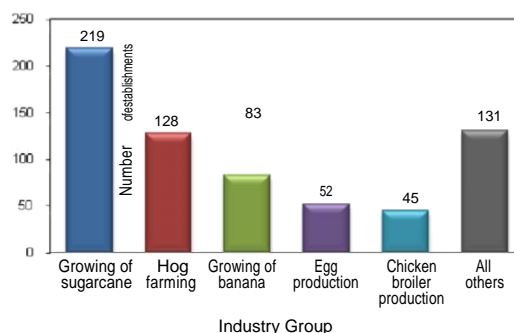

### Number of Establishments

About 658 agriculture, hunting and forestry establishments with total employment of 20 and over were covered in the 2008 Annual Survey of Philippine Business and Industry. Industries with the most number of establishments are the following:

- Growing of sugarcane including muscovado sugar- making in the farm comprised the majority with 219 establishments (33.3%)
- Hog farming with 128 establishments (19.5%)
- Growing of banana with 83 establishments (12.6%)

(Figure 1 shows the Number of Agriculture, Hunting and Forestry Establishments with Total Employment of 20 and Over by Industry Group.)

**FIGURE 1** Number of Agriculture, Hunting and Forestry Establishments with Total Employment of 20 and Over by Industry Group: Philippines, 2008

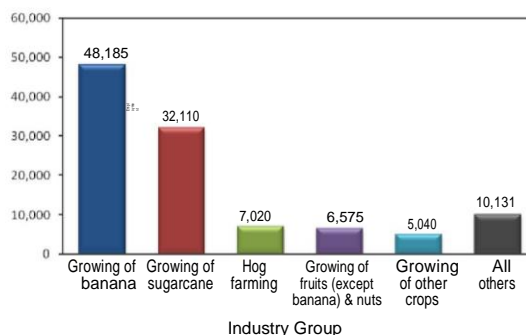

### Employment

Agriculture, hunting and forestry establishments with total employment of 20 and over recorded a total of 109,061 workers. Majority of the workers were employed by the following industries:

- Growing of banana hired almost half (44.2%) or 48,185 workers of the total workforce
- Growing of sugarcane including muscovado sugar- making in the farm employed 32,110 workers (29.4%)
- Hog farming provided work for 7,020 workers (6.4%)

(Figure 2 shows the Employment by Industry Group for Agriculture, Hunting and Forestry Establishments with Total Employment of 20 and Over.)
