Graduate	4.4
College	36.4
Undergraduate	12.0
Graduate	24.4

*Source: National Statistics Office, Annual Labor and Employment Estimates for 2012.*

*Note : Methodology for the computation of annual estimates of labor and employment is based on NSCB Resolution No. 9, Approving and Adopting the Official Methodology for Generating Annual Labor and Employment Estimates (using the average estimates of the four LFS rounds).*

<sup>1</sup> *New Entrants to the Labor Force include those employed persons who seek work for the first time, or those who are expected to work for the first time within two weeks from the date of interview and those unemployed persons who looked for work for the first time or tried to establish a business during the survey period.*
