

# 2020 ANNUAL SURVEY OF PHILIPPINE BUSINESS AND INDUSTRY

## Water Supply; Sewerage, Waste Management and Remediation Activities Section

Final Results for All Establishments

This section includes activities related to the management of various forms of waste, such as solid or non-solid industrial or household waste, as well as contaminated sites. The output of the waste or sewage treatment process can either be disposed of or become an input into other production processes. Activities of water supply are also grouped in this section, since they are often carried out in connection with, or by units also engaged in, the treatment of sewage.
