Main Sources of Deceleration: Philippines

| | Inflation for June 2023 | % Share to the Downtrend |
|---|-------------------------|--------------------------|
| 1. Food and Non-Alcoholic Beverages | 6.9 | 37.3 |
| 2. Housing, Water, Electricity, Gas and Other Fuels | 4.8 | 35.9 |
| 3. Transport | -1.2 | 20.8 |

Inflation for transport dropped to -1.2 percent in June 2023, its first negative inflation since May 2020. This was due to the negative inflation in gasoline and diesel.
