The SDG Watch is compiled by the Philippine Statistics Authority as the official repository of SDG indicators in the Philippines per PSA Board Resolution No. 09 Series of 2017. More statistical information on the Philippine SDGs can be accessed at <http://psa.gov.ph/sdg>.

NOTES:

- p Based on the Preliminary Results of the 2019 Labor Force Survey
- 1/ Revised estimate to include information on the training. In the previous SDG Watch, the estimate only presents proportion of youth (aged 15-24 years) not in education and employment. With the inclusion of additional question on training in the LFS, the proportion of youth (aged 15-24 years) not in education, employment or training can already be estimated.
- 2/ This is computed as number of BSP supervised/regulated financial institutions (banks, including head office, branches, and other offices and non-banks) per 100,000 adults.
