The Philippine Statistics Authority (PSA) announces the conduct of the PSA Knowledge Exchange Series (KES) Special Seminar for the Promotion of the Agency's Data Enclave Centers (DEC): May 2024, which will be held on 20 May 2024, 3:00 PM at the Media Center 9/F PSA Headquarters, PSA Complex, East Avenue Diliman, Quezon City, Philippines 1101. Participants may also join remotely through video conferencing via Zoom.

Similar to a brown bag discussion, the KES are seminars that encourage open communication, knowledge-sharing, and collaborative learning between PSA officials, personnel, and agency stakeholders. For this year, several special KES seminars are dedicated to fostering meaningful dialogues on the various research produced by the agency stakeholders, who benefitted from the services offered by the DEC. This initiative is part of the agency's ongoing efforts to enhance public awareness and use of the PSA's services on official statistics and data. For more information about the KES, you may visit the KES Google Site: <https://tinyurl.com/PSA-KES>.

To those interested in joining the seminar, we advise registering through the KES Google Site page: <https://tinyurl.com/PSAKESRegister>.
