Breakout Session 3:  
Success in Statistics: Position Yourself for the Future  
Manila Peninsula, Makati  
15-16 November 2018

A woman with long blonde hair, wearing a light-colored dress, is walking away from the camera down a dirt path in a dense forest. The path is lined with large, fallen logs and is surrounded by tall trees with thick canopies. Sunlight filters through the leaves, creating a dappled light effect on the ground. The overall atmosphere is peaceful and contemplative.

A scenic autumn landscape. In the foreground, a large tree with vibrant orange and yellow leaves stands on a grassy bank. A blue wooden bench is positioned in front of the tree. In the background, a calm lake reflects the sky and the surrounding foliage. Several boats, including a yellow and blue cabin boat and a white motorboat, are docked or anchored in the water. The sky is a mix of blue and white clouds.
