The screenshot shows the ArcGIS web interface with the 'Create a map' dialog box open. The dialog box contains the following fields and options:

- Title:** A text input field with the placeholder 'Enter a title'.
- Tags:** A text input field with the placeholder 'Add tags'.
- Summary: (Optional)** A text input field with the placeholder 'Enter a summary'.
- Save in folder:** A dropdown menu showing 'jdcruz1'.
- Buttons:** 'OK' and 'Cancel' buttons at the bottom.

Annotations with arrows point to the following elements:

- STEP 1: KEY IN TITLE** points to the Title input field.
- STEP 2: ADD TAG** points to the Tags input field.
- STEP 3: ADD FOLDER FOR SAVING** points to the Save in folder dropdown menu.
- A large blue button labeled **OK** is shown below the dialog box, with a hand icon pointing to it.

The background interface includes a sidebar with 'Folders' (jdcruz1) and 'Item Type' (Maps, Layers, Scenes, Apps, Tools, Files) sections. The top navigation bar shows 'ArcGIS', 'Overview', 'Pricing', 'Map', 'Scene', 'Groups', and 'Content'.

The screenshot shows the ArcGIS web interface in a browser window. The main content area is titled 'Content' and includes tabs for 'My Content', 'My Favorites', 'My Groups', and 'Living Atlas'. A 'Create a map' dialog box is open, prompting the user to 'Specify a title, tags, and summary for the new map.' The title field is filled with 'My First Map'. The 'Tags' field is empty, and an error message is displayed: 'Error: You must provide some tags that will be used for searching your item.' The 'OK' button on the dialog is highlighted with a hand cursor. A large blue 'OK' button is also visible on the right side of the dialog. The background shows a sidebar with 'Folders' (All My Content, jdcruz1) and 'Item Type' (Maps, Layers, Scenes, Apps, Tools, Files). The bottom of the page includes links to Esri.com, ArcGIS Marketplace, Help, Terms of Use, Privacy, Contact Esri, and Report Abuse.

The screenshot shows the ArcGIS 'My First Map' interface. The map displays the Philippines with various regions color-coded. A 'Set Visibility Range' dialog box is open, showing a 'Visible range' slider and a 'Map scale is 1:9,244,649'. A blue box labeled 'SMALL SCALE' points to the map. The left sidebar shows the 'Contents' panel with '1.2.1 Poverty at Provincial Level' and '1.2.1 Poverty at Regional Level' selected. The 'Set Visibility Range' dialog box has a 'Visible range' slider and a 'Map scale is 1:9,244,649' label. The map shows the Philippines with various regions labeled, including Cordillera Administrative Region, Ilocos Region, Cagayan Valley, Central Luzon, Quezon, National Capital Region, CALABARZON, Ecol Region, Eastern Visayas, Western Visayas, Central Visayas, Iloilo City, Caraga, Zamboanga Peninsula, Northern Mindanao, Autonomous Region in Muslim Mindanao, Davao Region, Soccsargen, Sulu Sea, Philippine Sea, Celebes Sea, Sandakan, Semporna, Bandar Seri Begawan, Brunei Darussalam, Ho Chi Minh City, Phuong Hai Cang, Phuong Loc Tho, and Melekeok PALAU. A scale bar at the bottom left indicates 0, 100, and 200 km. The bottom right corner shows 'POWERED BY esri' and 'Eri, HERE, Garmin, FAO, NOAA, USGS'.

MAP DETAILS – ATTRIBUTE RELATIONSHIPS

The screenshot shows the ArcGIS web interface for 'My First Map'. The map displays the Philippines with various cities and provinces labeled. The left sidebar contains the 'Change Style' panel, which is currently set to '1.2.1 Poverty at Provincial Level - Poverty in the Provinces'. The panel has two main sections:

- 1 Choose an attribute to show:** This section has a dropdown menu showing '2006 Food Threshold' and '2015 Magnitude of Subsistence (Pop.)'. A blue arrow points to the '2015 Magnitude of Subsistence (Pop.)' option.
- 2 Select a drawing style:** This section has three options: 'Predominant Category', 'Predominant Category and Size', and 'Color and Size'. The 'Color and Size' option is selected, indicated by a checkmark.

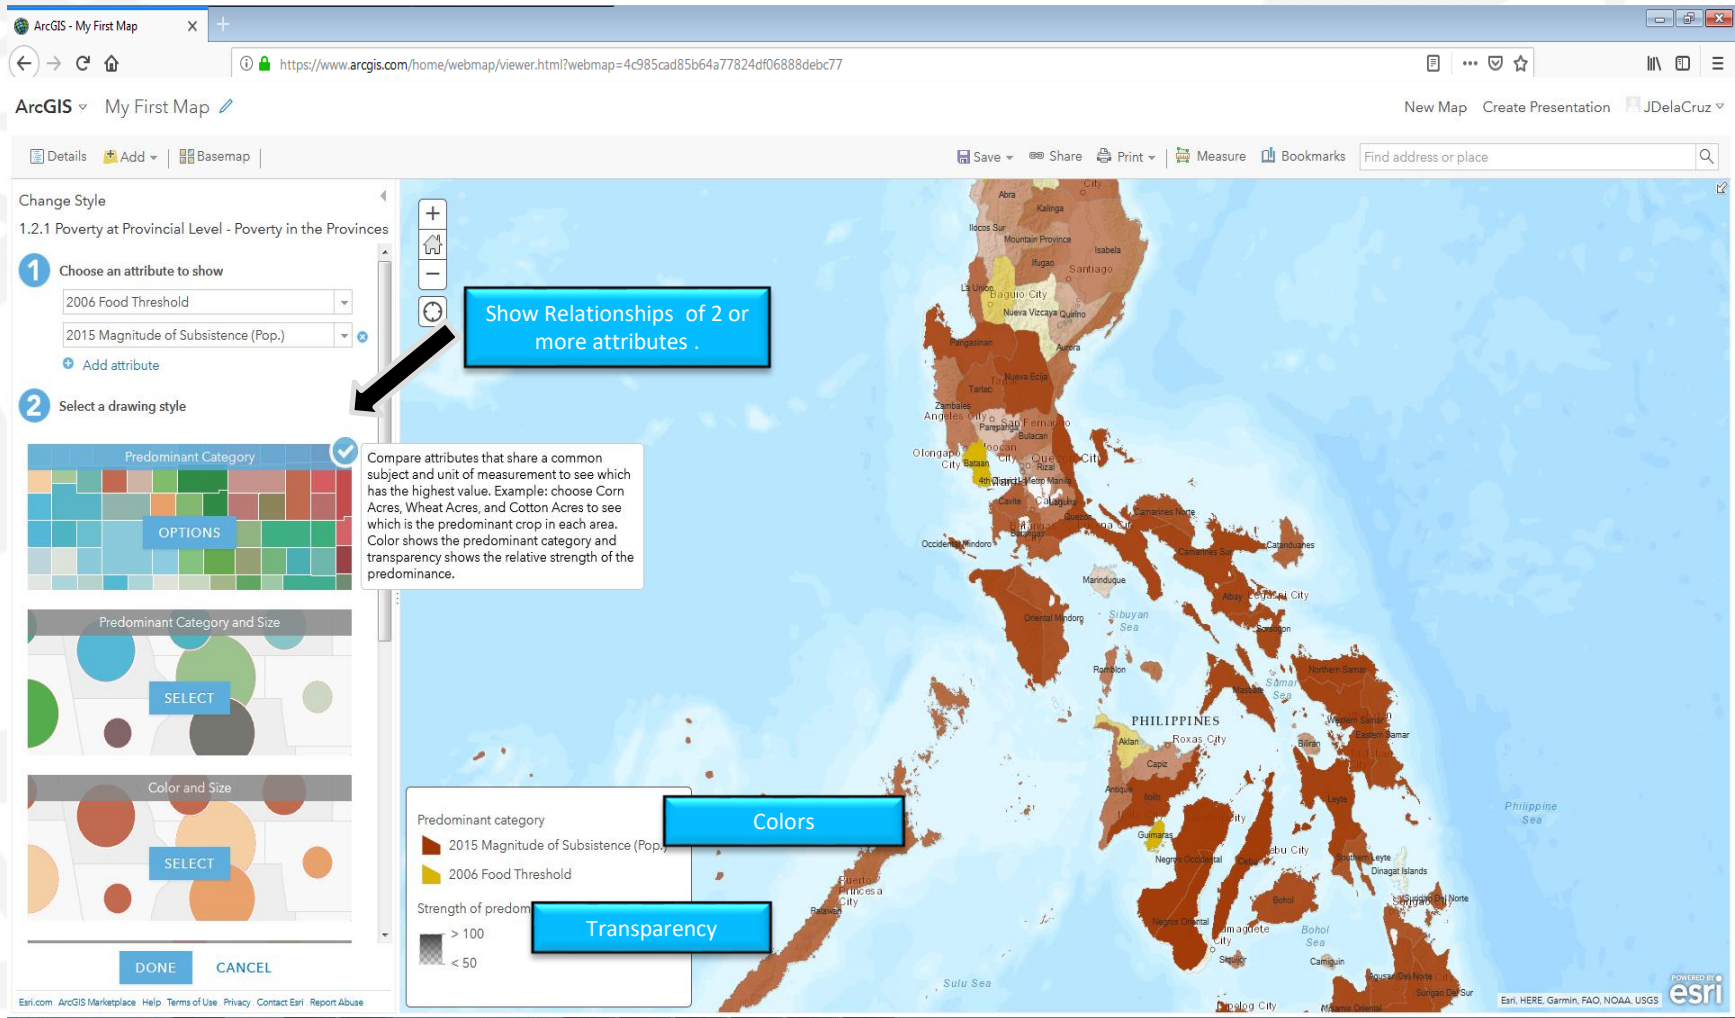

Below the 'Change Style' panel, there are two legends for the selected attributes:

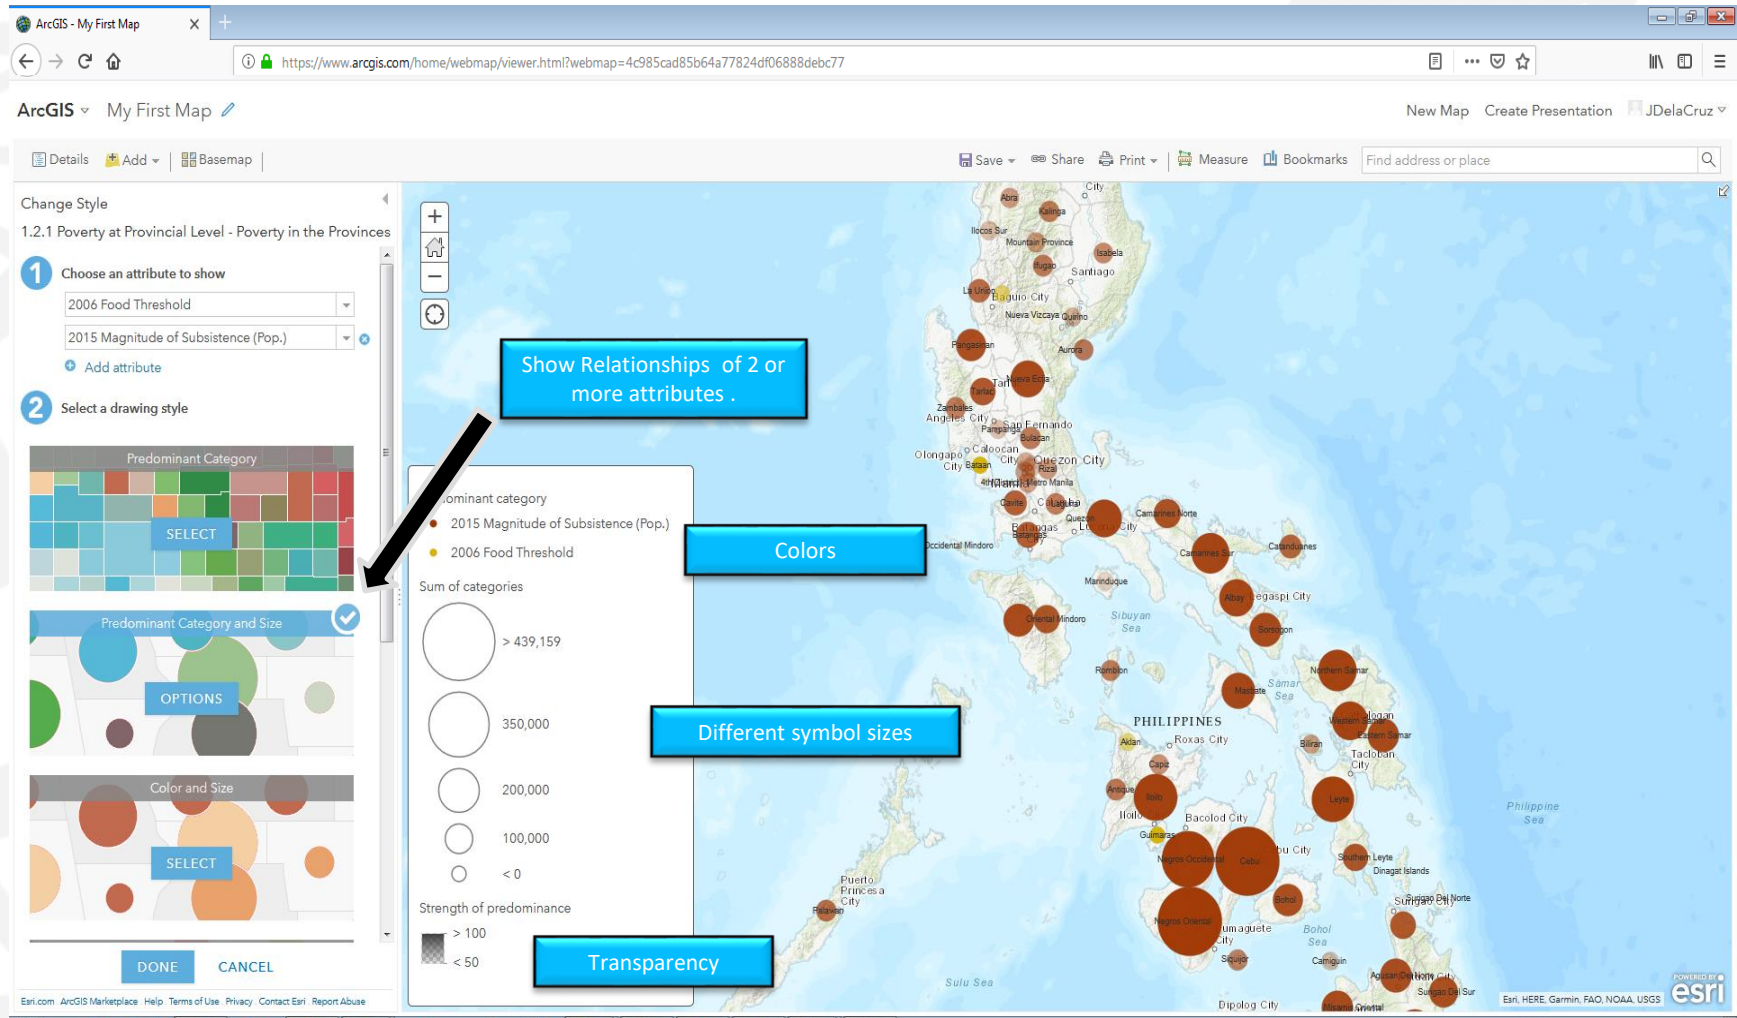

- 2006 Food Threshold:** A color scale legend with values: > 10,593 (dark blue), 9,317 (medium blue), and < 8,042 (light blue).
- 2015 Magnitude of Subsistence (Pop.):** A size legend with circles of different diameters representing population ranges: > 429,969 (largest), 300,000, 200,000, 100,000, and < 0 (smallest).

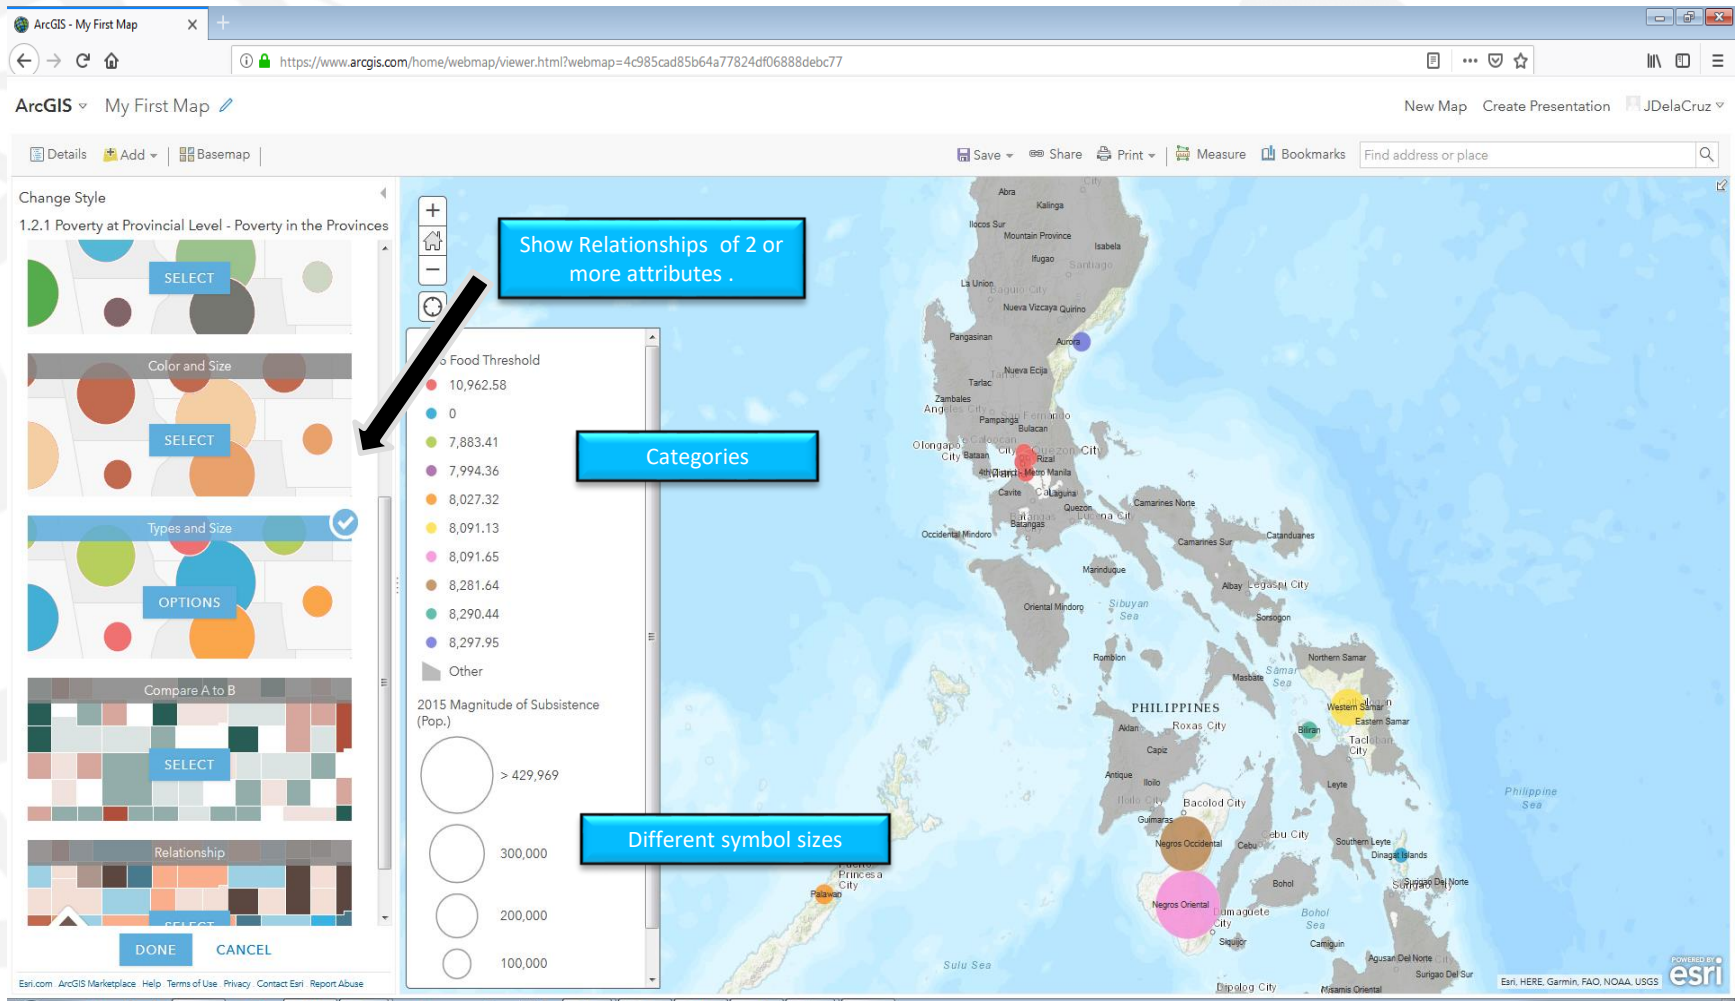

Two blue callout boxes are overlaid on the map:

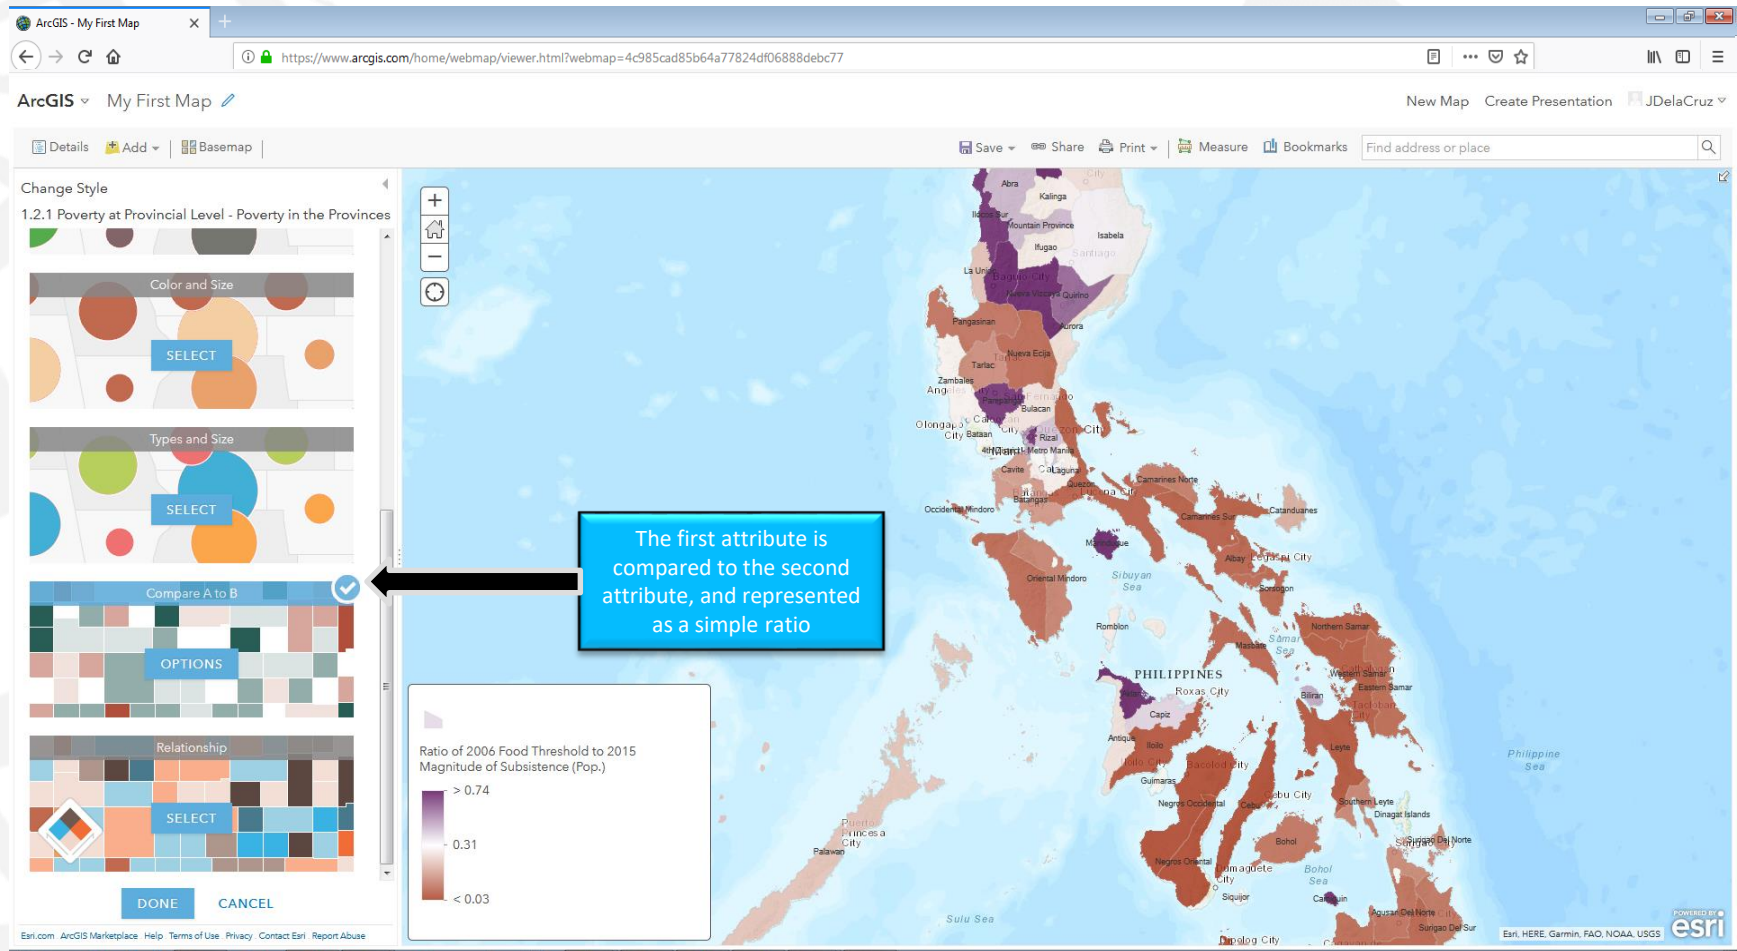

- Show Relationships of 2 or more attributes .** (Points to the attribute selection dropdown)
- 1st attribute** (Points to the '2006 Food Threshold' legend)
- 2nd attribute** (Points to the '2015 Magnitude of Subsistence (Pop.)' legend)

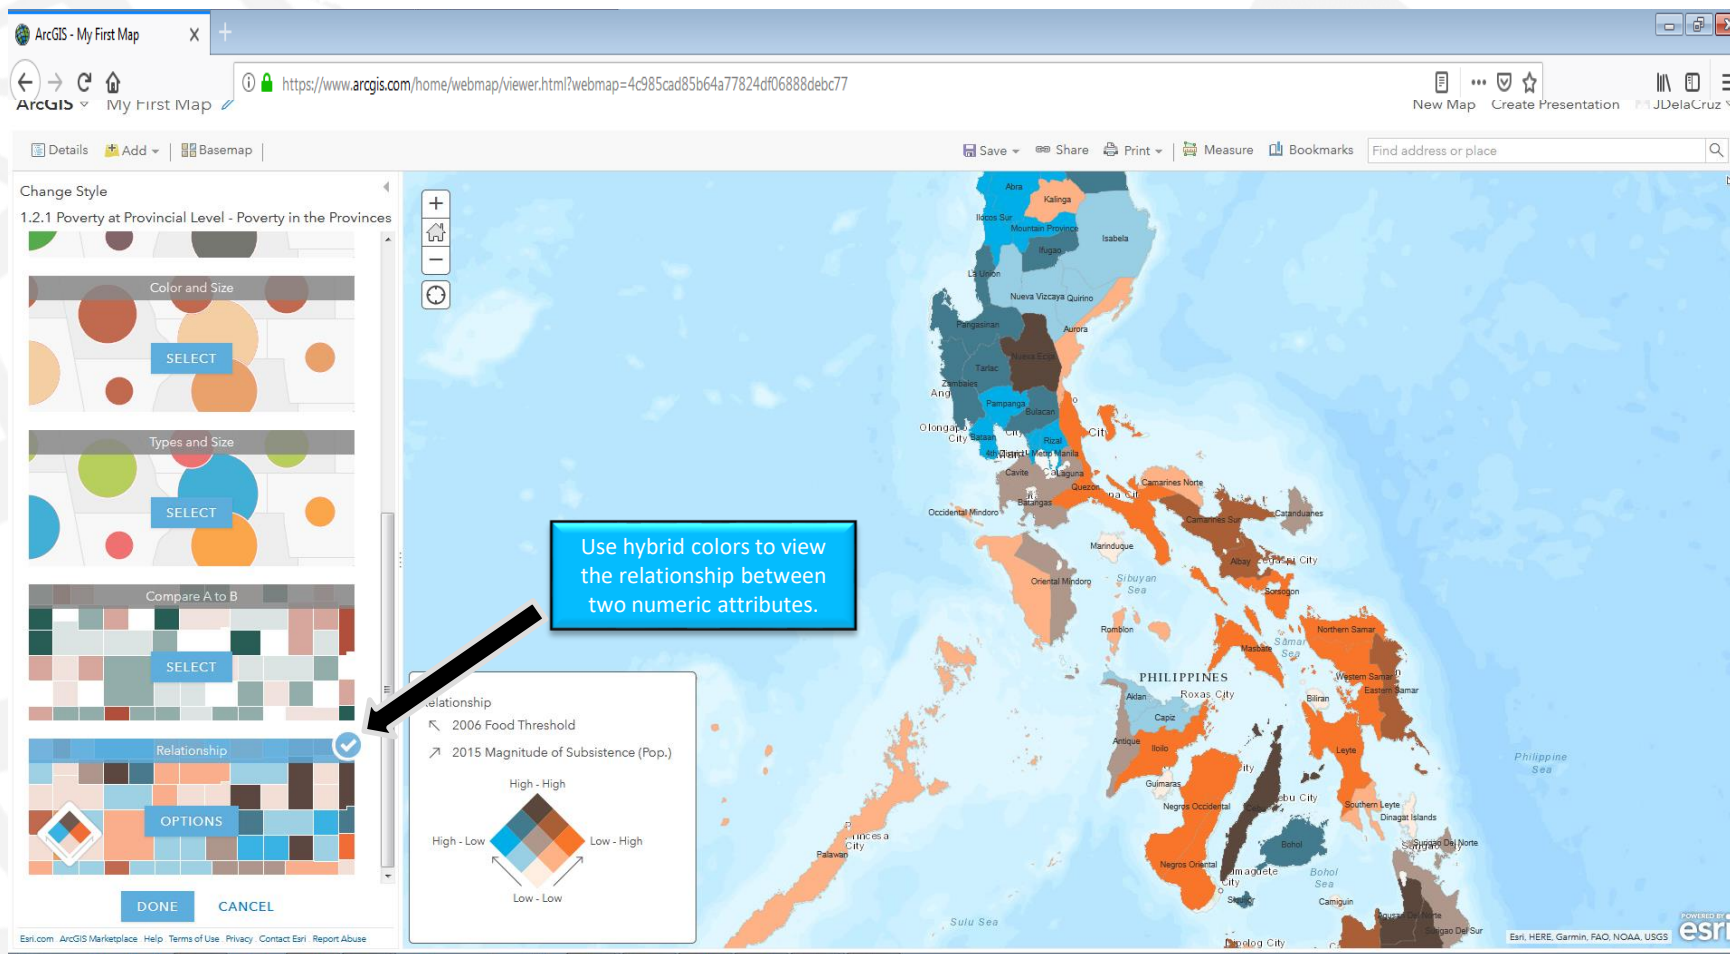

The map itself shows the Philippines with various cities and provinces labeled, including Manila, Cebu, Davao, and others. The map is powered by Esri, HERE, Garmin, FAO, NOAA, and USGS.

CREATING A STORY MAP

The screenshot shows the ArcGIS Content page. The browser address bar displays the URL: <https://www.arcgis.com/home/content.html?start=1&view=table&sortOrder=desc&sortField=modified#content>. The page header includes navigation links: ArcGIS, Overview, Pricing, Map, Scene, Groups, and Content. A search bar on the right contains 'mc' and a magnifying glass icon. Below the header, the 'Content' section is active, with tabs for 'My Content', 'My Favorites', 'My Groups', and 'Living Atlas'. On the left, the 'Add Item' dropdown is open, showing a 'Create' submenu with options: 'Map', 'Scene', 'App', and 'Using a Template'. A hand cursor points to 'Using a Template'. Below this, the 'Item Type' list shows 'Maps', 'Layers', 'Scenes', and 'Apps'. The main content area shows a search for 'mcbear813' with 1 result. The result is a 'Sample Map' (Web Map) created on Nov 15, 2018. A blue text box is overlaid on the right side of the page.

SELECT "BUILD A STORY MAP" OPTION

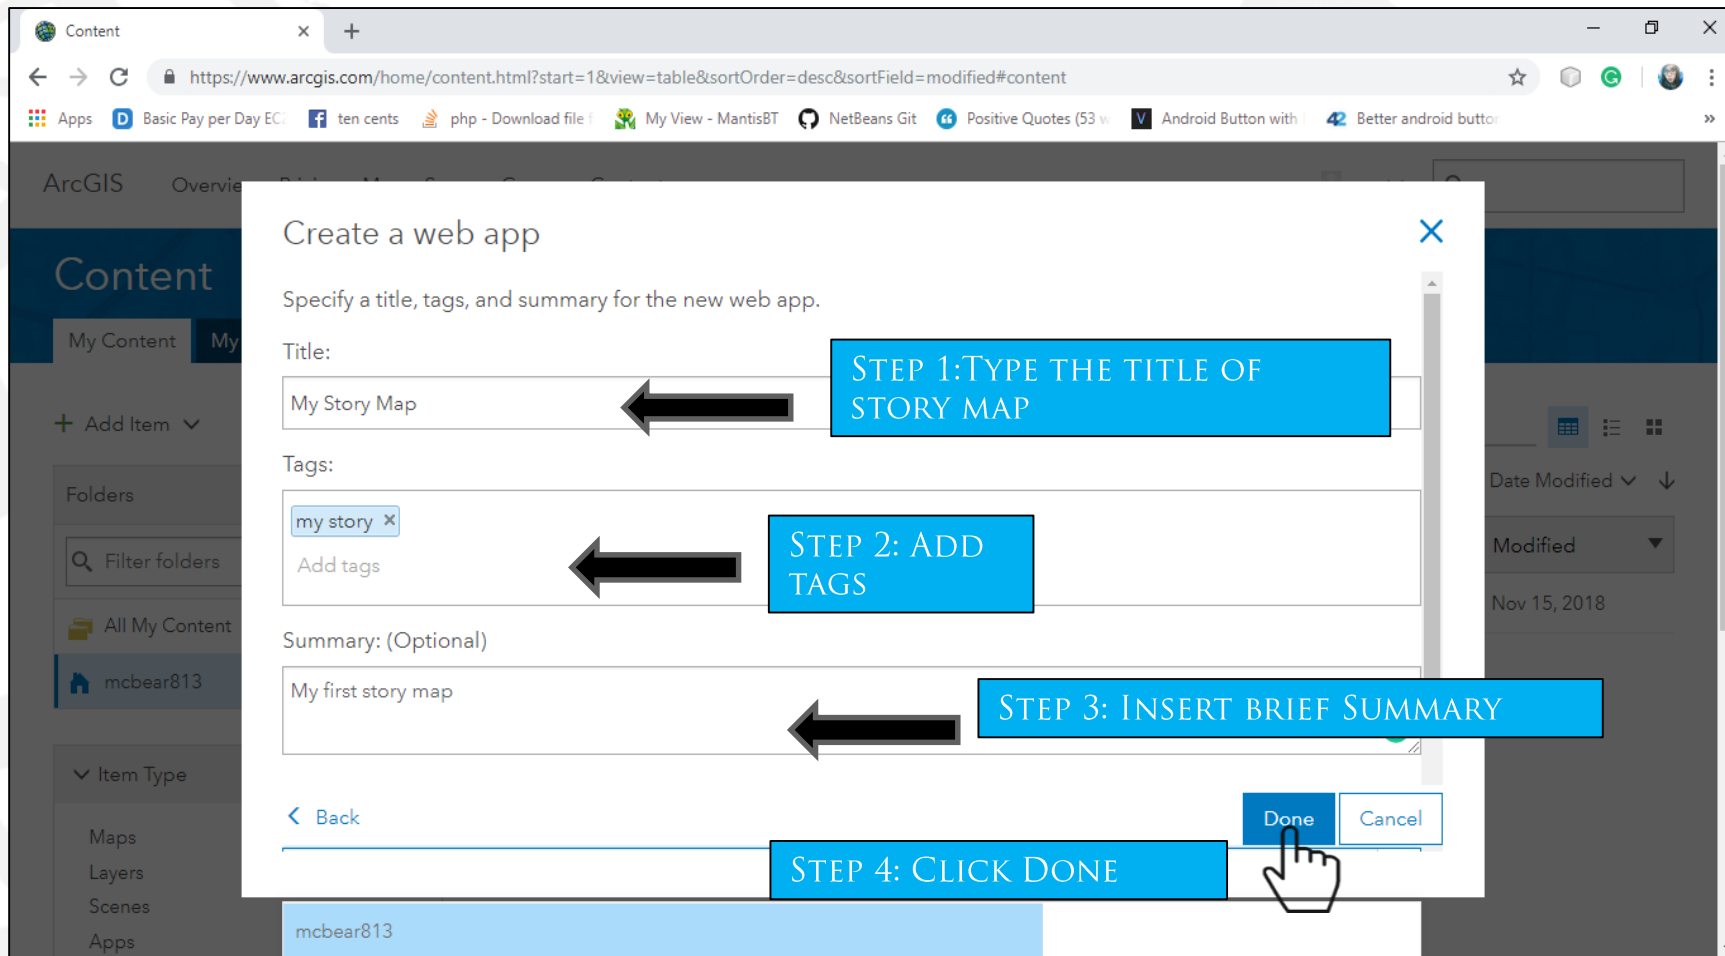

https://www.arcgis.com/home/content.html?start=1&view=table&sortOrder=desc&sortField=modified#

The screenshot shows the ArcGIS 'Create a web app' dialog box. The dialog has a sidebar on the left with the following options: 'Show All', 'Build a Story Map' (selected), 'Collect/Edit Data', 'Compare Maps/Layers', 'Display a Scene (3D)', 'Explore/Summarize Data', 'Interpret Imagery', and 'Make a Gallery'. The main area is titled 'Select a configurable app.' and contains a search bar and a grid of app thumbnails. The thumbnails are labeled: 'Story Map Basic', 'Story Map Cascade', 'Story Map Journal', and 'Story Map Series'. A hand cursor is pointing at the 'Story Map Journal' thumbnail. The 'Cancel' button is at the bottom right of the dialog. The background shows the ArcGIS 'Content' page with a list of items including 'Basic Pay per Day EC', 'ten cents', 'php - Download file', 'My View - MantisBT', 'NetBeans Git', 'Positive Quotes (53)', 'Android Button with', and 'Better android button'.

The screenshot shows a web browser window with the URL <https://www.arcgis.com/home/content.html?start=1&view=table&sortOrder=desc&sortField=modified#content>. The browser's address bar and tabs are visible. The main content area displays the ArcGIS 'Create a web app' dialog box. The dialog box has a title bar with a close button (X). It is divided into two main sections: 'What do you want to do?' on the left and 'Select a configurable app.' on the right. The 'What do you want to do?' section contains a list of options: 'Show All', 'Build a Story Map' (which is selected), 'Collect/Edit Data', 'Compare Maps/Layers', 'Display a Scene (3D)', 'Explore/Summarize Data', 'Interpret Imagery', and 'Make a Gallery'. The 'Select a configurable app.' section displays a grid of app templates. The first template is 'Story Map Journal', which is highlighted. It features a thumbnail image of a map with a narrative overlay. Below the thumbnail, the text reads 'Story Map Journal' and 'Presents map-based narrative as a set of multimedia journal entries.' At the bottom of the dialog box, there are two buttons: 'CREATE WEB APP' (in blue) and 'DOWNLOAD' (in white with a blue border). A hand cursor is pointing at the 'CREATE WEB APP' button. Below these buttons is a 'CLOSE' link.

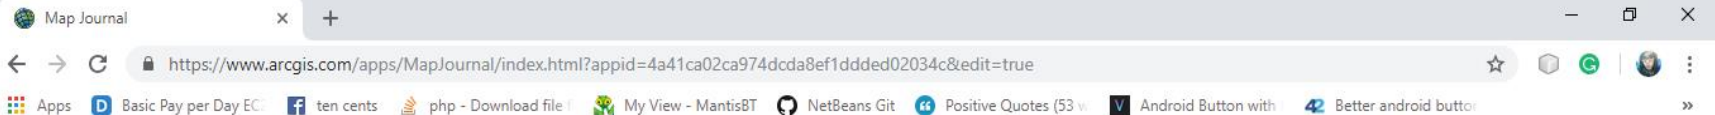

The screenshot shows the ArcGIS 'Create a web app' dialog box. The background is the ArcGIS 'Content' page. The dialog box has a title bar 'Create a web app' and a close button. Below the title bar is the instruction 'Specify a title, tags, and summary for the new web app.'.

The dialog box contains three input fields:

- Title:** The text 'My Story Map' is entered. A blue callout box with the text 'STEP 1: TYPE THE TITLE OF STORY MAP' has an arrow pointing to this field.
- Tags:** The tag 'my story' is entered. A blue callout box with the text 'STEP 2: ADD TAGS' has an arrow pointing to this field.
- Summary: (Optional):** The text 'My first story map' is entered. A blue callout box with the text 'STEP 3: INSERT BRIEF SUMMARY' has an arrow pointing to this field.

At the bottom of the dialog box, there are two buttons: 'Back' and 'Done'. A blue callout box with the text 'STEP 4: CLICK DONE' has an arrow pointing to the 'Done' button. A hand icon is shown clicking the 'Done' button.

The screenshot shows the Map Journal Builder interface. A dialog box titled "Select a map" is open, displaying a list of map sources. The "My Content" folder is highlighted, and a blue callout box with the text "SELECT SOURCE FOLDER." points to it. The background interface includes a "Map Journal Builder" header, a "ADD HOME SECTION" button, and a "This is the Side Pane" text. The bottom of the interface has "ADD SECTION" and "ORGANIZE" buttons, and a "NEXT" button is visible in the dialog box.

Create Map

The screenshot shows the ArcGIS web interface. The 'Content' pane on the left displays a folder named 'jdcruz1'. The main area is titled 'Create a map' and prompts the user to 'Specify a title, tags, and summary for the new map.' The 'Title' field is filled with 'My First Map'. The 'Tags' field is empty, which has triggered an error dialog box. The error message reads: 'Error: You must provide some tags that will be used for searching your item.' The dialog box has an 'OK' button. A hand cursor is pointing at the 'OK' button. The 'Save in folder' dropdown is set to 'jdcruz1'. The bottom of the page contains links to Esri.com, ArcGIS Marketplace, Help, Terms of Use, Privacy, Contact Esri, and Report Abuse.

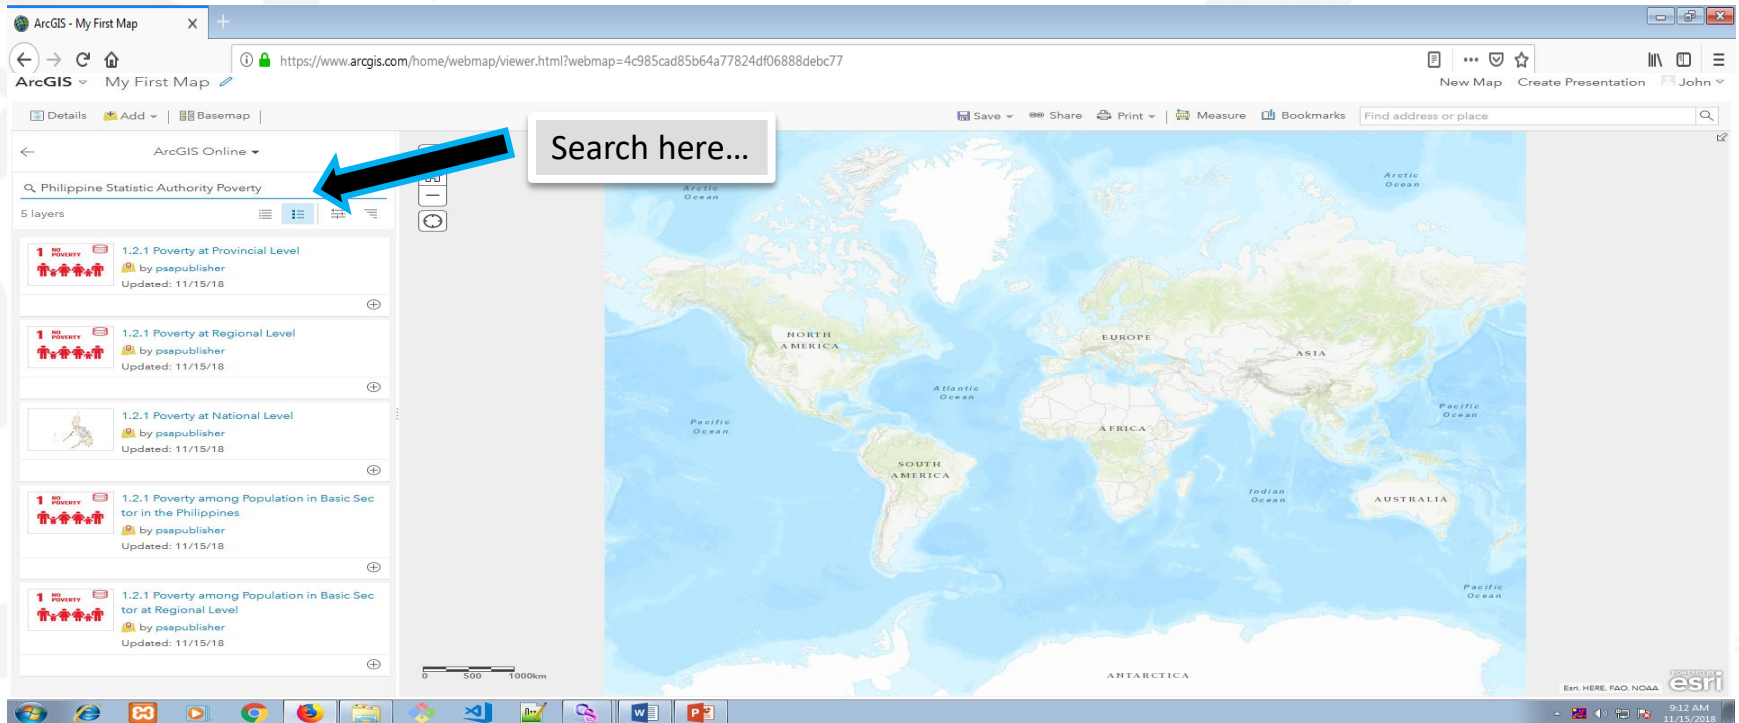

ADD Layer

ADD Layer – My Content

ADD Layer

The screenshot shows the ArcGIS Online 'My First Map' interface. The left sidebar displays a list of layers under the heading '5 layers'. A blue arrow points to the 'Add' button in the top-left corner of the map area. A text box with the text 'Search here...' is positioned over the search bar in the top-right corner of the map area.

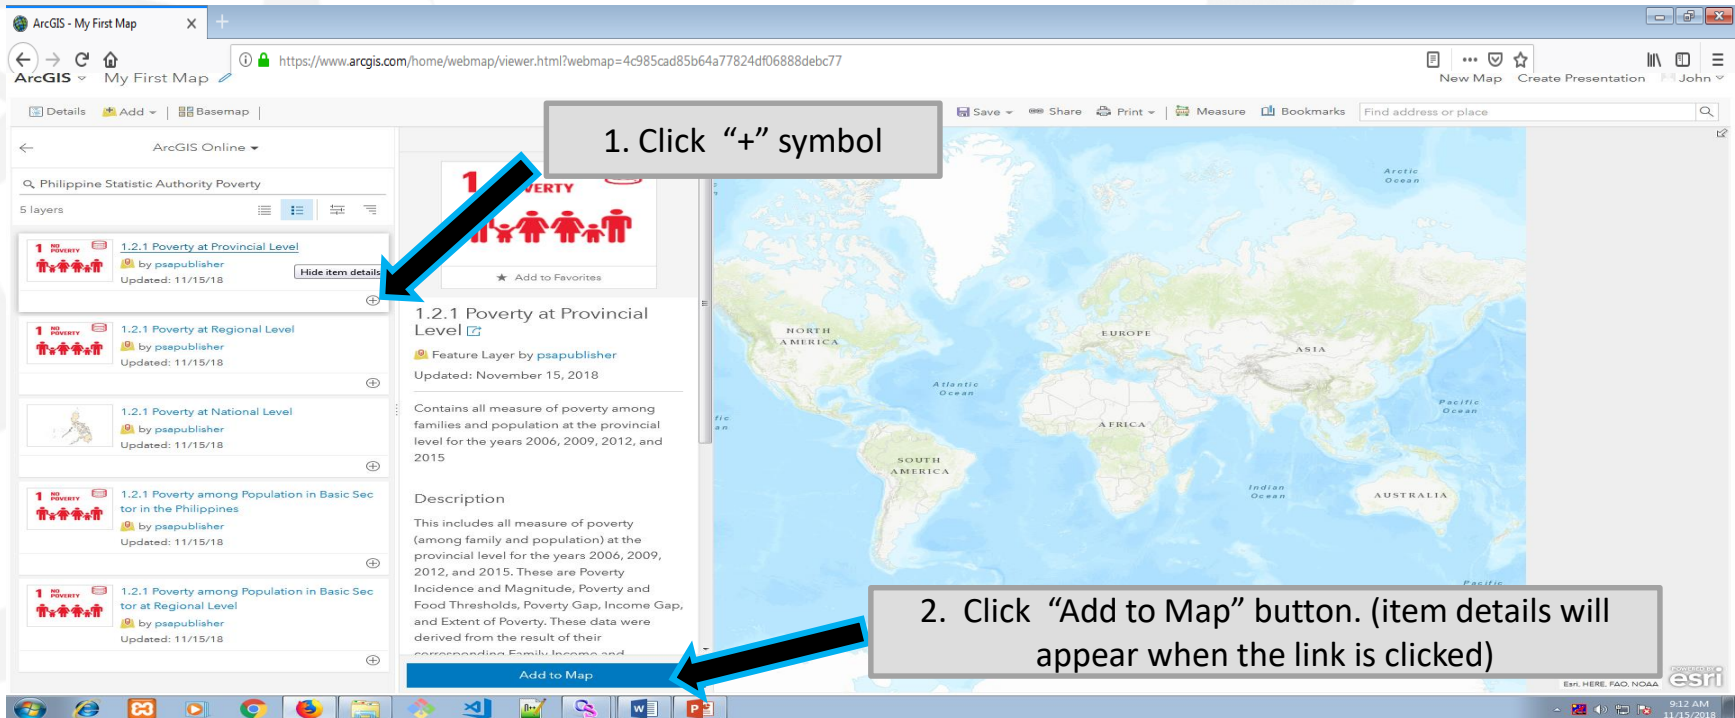

Layers List:

- 1.2.1 Poverty at Provincial Level
by psapublisher
Updated: 11/15/18
- 1.2.1 Poverty at Regional Level
by psapublisher
Updated: 11/15/18
- 1.2.1 Poverty at National Level
by psapublisher
Updated: 11/15/18
- 1.2.1 Poverty among Population in Basic Sector in the Philippines
by psapublisher
Updated: 11/15/18
- 1.2.1 Poverty among Population in Basic Sector at Regional Level
by psapublisher
Updated: 11/15/18

The main map area shows a world map with labels for North America, South America, Europe, Africa, Asia, Australia, and Antarctica. The search bar at the top right contains the text 'Find address or place'.

Two ways to add a Layer

1. Click “+” symbol

2. Click “Add to Map” button. (item details will appear when the link is clicked)

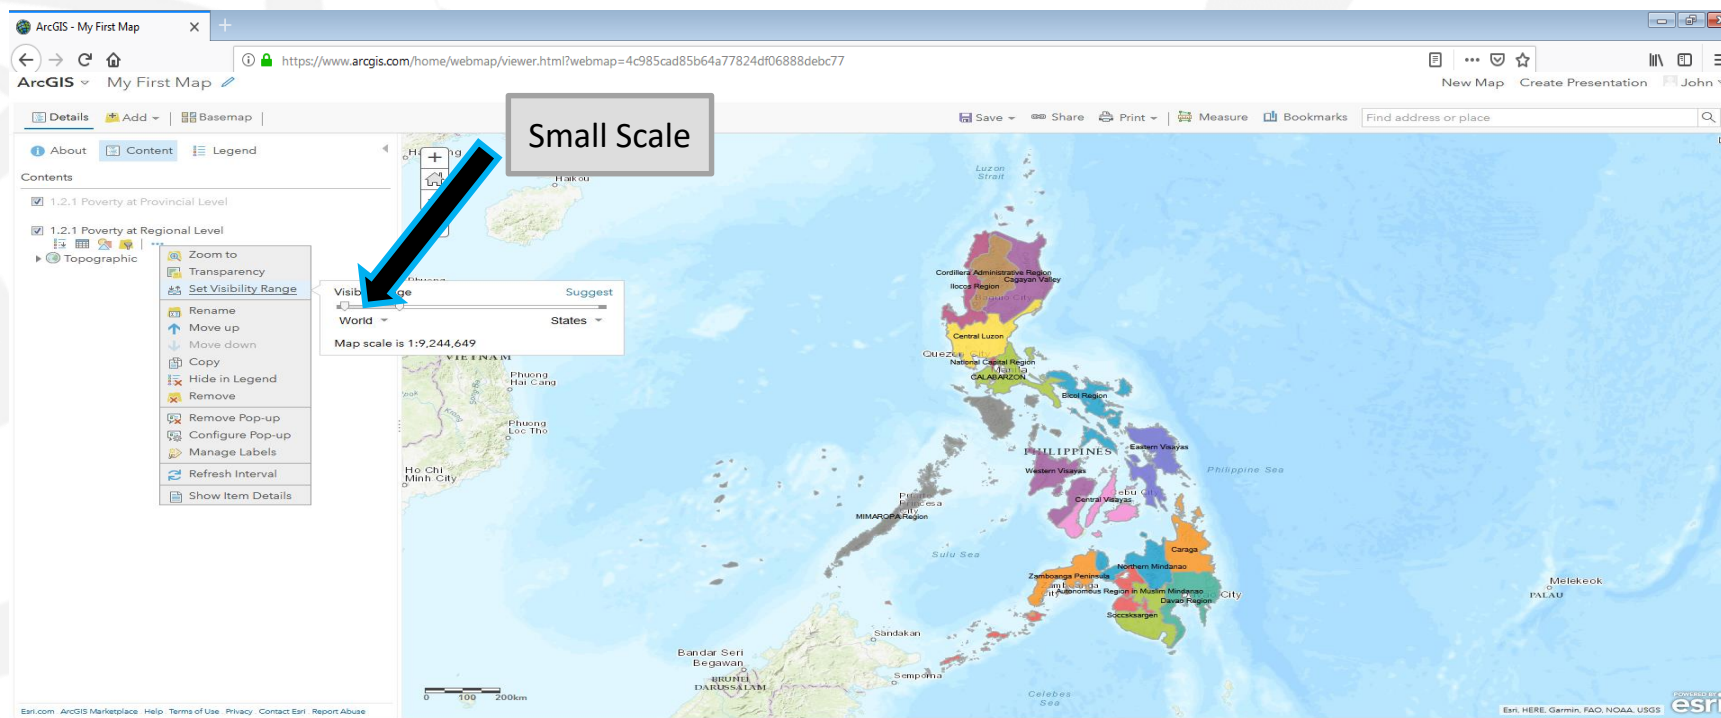

Added Layers

The screenshot shows the ArcGIS Online web interface. On the left, a list of layers is displayed under the heading '5 layers'. The layers are:

- 1. 1.2.1 Poverty at Provincial Level by psapublisher Updated: 11/15/18
- 1. 1.2.1 Poverty at Regional Level by psapublisher Updated: 11/15/18
- 1. 1.2.1 Poverty at National Level by psapublisher Updated: 11/15/18
- 1. 1.2.1 Poverty among Population in Basic Sector in the Philippines by psapublisher Updated: 11/15/18
- 1. 1.2.1 Poverty among Population in Basic Sector at Regional Level by psapublisher Updated: 11/15/18

A callout box labeled 'Added layer/s' with a blue arrow points to the first two layers in the list. The main map area shows a map of the Philippines with various regions and cities labeled. The bottom of the screen shows a Windows taskbar with various application icons and the system clock indicating 9:15 AM on 11/15/2018.

The screenshot shows the ArcGIS web interface with a map titled 'My First Map'. The map displays a bubble chart representing poverty data at the provincial level. The legend indicates that bubble size corresponds to poverty levels: > 12,225, 9,000, 6,000, 3,000, and < 0. Three dialog boxes are open for styling the map:

- Shapes Dialog:** Allows selecting a symbol shape from a grid of options (circles, squares, stars, etc.). The 'Symbol Size' is set to 12 px.
- Fill Dialog:** Allows selecting a fill color from a color palette. The selected color is #E38B4F.
- Outline Dialog:** Allows selecting an outline color from a color palette. The selected color is #FFFFFF. It also includes settings for 'Transparency' (0% to 100%) and 'Line Width' (1 px).

A large blue double-headed arrow connects the 'Shapes' and 'Outline' dialog boxes, indicating that the shape and outline properties are related and can be adjusted together.

Eri, HERE, Garmin, FAO, NOAA, USGS

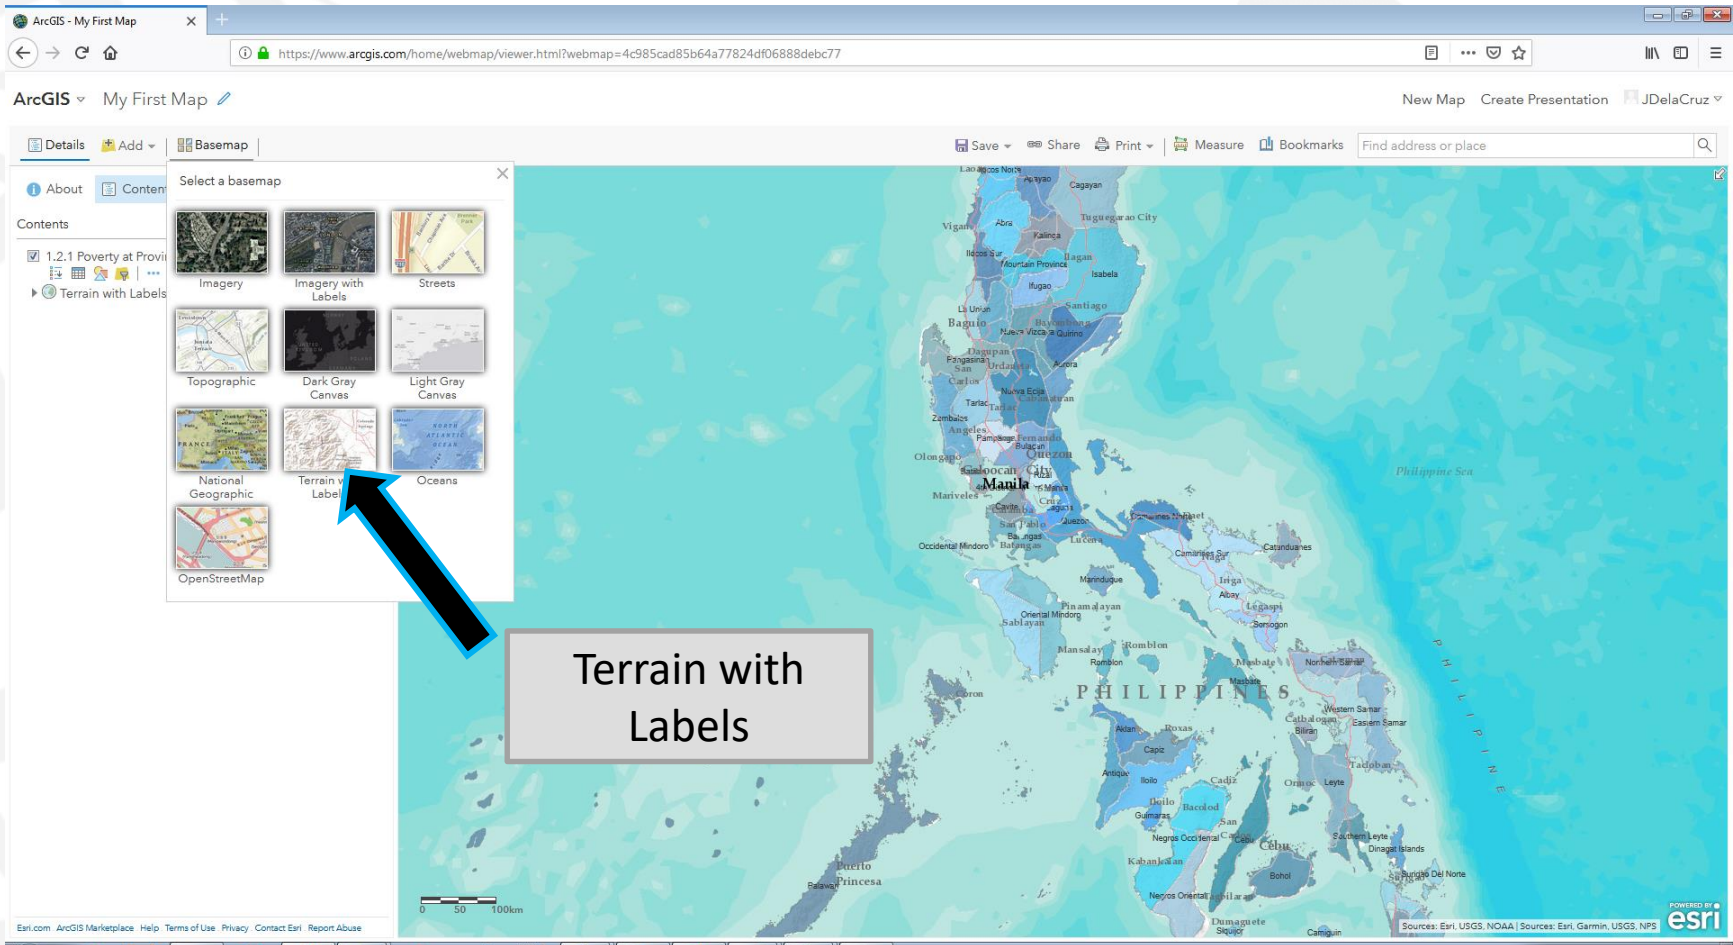

The screenshot shows the ArcGIS web viewer interface. On the left, the 'Basemap Gallery' is open, displaying various map styles. A blue arrow points to the 'Dark Gray Canvas' option. The main map area shows a map of the Philippines with a dark gray background and blue labels for cities and regions. A text box labeled 'Dark Gray Canvas' is overlaid on the map. The interface includes a search bar, navigation tools, and a scale bar.

Dark Gray Canvas

The screenshot shows the ArcGIS web viewer interface. The browser address bar displays the URL: <https://www.arcgis.com/home/webmap/viewer.html?webmap=4c985cad85b64a77824df06888debc77>. The page title is 'ArcGIS - My First Map'. The left sidebar contains a 'Details' panel with 'About' and 'Contents' tabs. The 'Contents' panel shows a list of layers, including '1.2.1 Poverty at Provincial Level' and 'National Geographic'. The 'Basemap' panel is open, displaying a grid of basemap options. A red arrow points to the 'National Geographic' basemap option. The main map area shows a topographic view of the Philippines, with various geographical features and labels. The map is titled 'PHILIPPINES' and includes a scale bar and a north arrow. The bottom of the map area contains a disclaimer: 'Content may not reflect National Geographic's current map policy. Sources: National Geographic, Esri, Garmin, HERE, UNEP-WCMC, USGS, NASA, etc.'

The screenshot displays the ArcGIS Online web interface. The browser address bar shows the URL: <https://www.arcgis.com/home/webmap/viewer.html?webmap=4c985cad85b64a77824df06888debc77>. The interface includes a top navigation bar with 'New Map', 'Create Presentation', and a user profile 'JDelaCruz'. Below this is a toolbar with icons for 'Save', 'Share', 'Print', 'Measure', and 'Bookmarks'. A search bar is also present. The main map area shows a map of the Philippines with various regions labeled. A blue arrow points to the 'Save' button in the toolbar. A 'Save' dialog box is open, displaying the text 'Save' and 'Saving map to 'My Content' ...'. The dialog box has a close button (X) in the top right corner. The bottom of the interface shows a scale bar (0 to 100km) and the Esri logo.

Map Content - CONFIGURATION

The screenshot shows the ArcGIS Content page for user JDelaCruz. The page has a blue header with the 'Content' title and tabs for 'My Content', 'My Favorites', 'My Groups', and 'Living Atlas'. On the left, there is a sidebar with 'Folders' (containing 'All My Content' and 'jdcruz1') and 'Item Type' (containing 'Maps', 'Layers', 'Scenes', 'Apps', 'Tools', 'Files', 'Date Modified', 'Date Created', 'Tags', and 'Shared'). The main area displays a search result for 'jdcruz1' with a table of items. A blue arrow points to the item 'My First Map'.

The screenshot shows a web browser window with the URL <https://www.arcgis.com/home/content.html?start=1&view=table&sortOrder=desc&sortField=modified#content>. The browser's address bar and tabs are visible at the top. The main content area displays the 'Create a web app' dialog box, which is a modal window for creating web applications. The dialog box has a title bar with a close button (X) and a search bar. It is divided into two main sections: 'What do you want to do?' and 'Select a configurable app. ?'. The 'What do you want to do?' section contains a list of options: 'Show All', 'Build a Story Map', 'Collect/Edit Data', 'Compare Maps/Layers', 'Display a Scene (3D)', 'Explore/Summarize Data', 'Interpret Imagery', and 'Make a Gallery'. The 'Build a Story Map' option is selected. The 'Select a configurable app. ?' section contains a grid of six app thumbnails: 'Story Map Basic', 'Story Map Cascade', 'Story Map Journal', and three others. A large black arrow points from the 'Story Map Journal' thumbnail to the 'Cancel' button at the bottom right of the dialog box. The background of the browser window shows the ArcGIS 'Content' page with a sidebar on the left containing 'My Content', 'Add Item', 'Folders', 'Filter folders', 'All My Content', 'mcbear813', and 'Item Type' (Maps, Layers, Scenes, Apps).

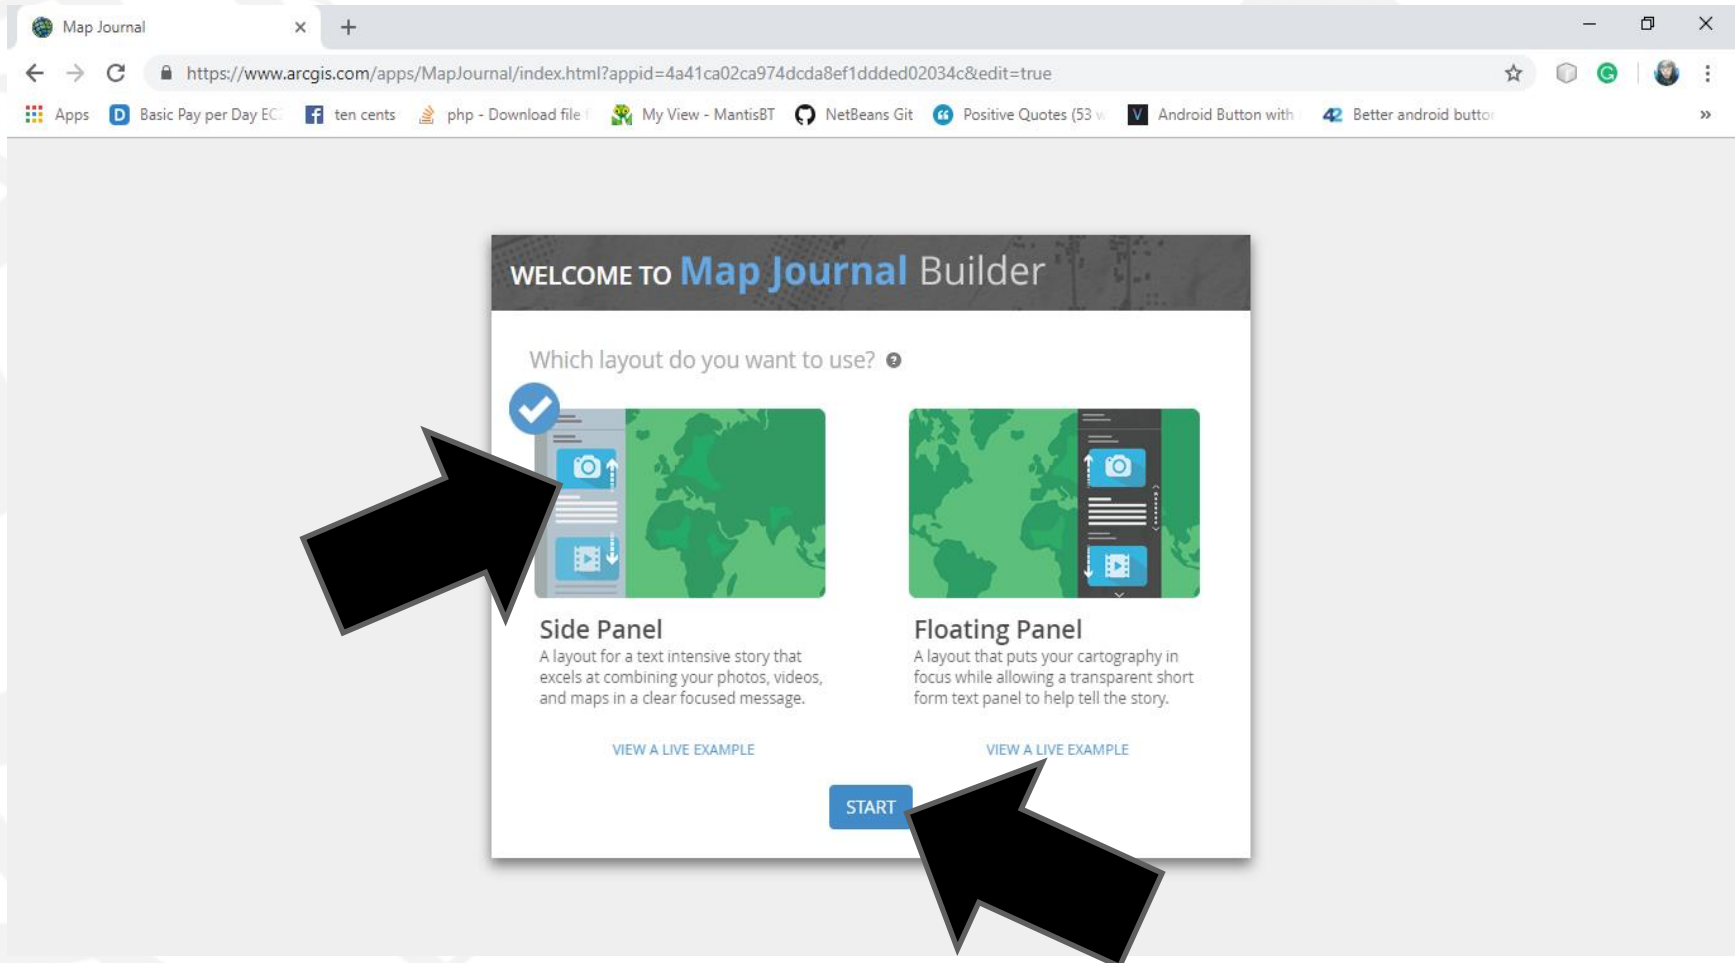

The screenshot shows a web browser window with the URL <https://www.arcgis.com/home/content.html?start=1&view=table&sortOrder=desc&sortField=modified#content>. The browser's address bar and tabs are visible at the top. The main content area displays the ArcGIS 'Create a web app' dialog box. On the left, a sidebar lists various actions: 'Show All', 'Build a Story Map' (highlighted), 'Collect/Edit Data', 'Compare Maps/Layers', 'Display a Scene (3D)', 'Explore/Summarize Data', 'Interpret Imagery', and 'Make a Gallery'. The main panel, titled 'Select a configurable app. ?', shows a grid of app templates. The 'Story Map Journal' template is selected, displaying a preview of a map-based narrative. Below the preview, there are three buttons: 'CREATE WEB APP' (in blue), 'DOWNLOAD', and 'CLOSE'. A large black arrow points to the 'CREATE WEB APP' button. The background of the browser window shows a table of content items with columns for 'Date Modified' and 'Modified'.

The screenshot shows the ArcGIS web interface with a 'Create a web app' dialog box open. The dialog box contains the following fields and buttons:

- Title:** A text input field containing 'My Story Map'. An arrow points to this field.
- Tags:** A text input field containing 'my story' with a close button (x). Below it is an 'Add tags' button. An arrow points to this section.
- Summary: (Optional)** A text input field containing 'My first story map'. An arrow points to this field.
- Buttons:** At the bottom left is a '< Back' button. At the bottom right is a 'Done' button. An arrow points to the 'Done' button.

The background shows the ArcGIS 'Content' page with a sidebar on the left containing 'My Content', 'Add Item', 'Folders', 'Filter folders', 'All My Content', 'mcbear813', and 'Item Type' (Maps, Layers, Scenes, Apps). The main area shows a table with columns 'Date Modified' and 'modified', and a row with the date 'Nov 15, 2018'.

The screenshot shows a web browser window with the URL <https://www.arcgis.com/apps/MapJournal/index.html?appid=4a41ca02ca974dcda8ef1dded02034c&edit=true>. The browser's address bar and tabs are visible. The main content area displays the 'Map Journal Builder' interface. At the top, it says 'WELCOME TO Map Journal Builder'. Below this, a question asks 'Which layout do you want to use?'. There are two options: 'Side Panel' and 'Floating Panel'. The 'Side Panel' option is selected, indicated by a blue checkmark icon. A large black arrow points from the left towards the 'Side Panel' option. Below the 'Side Panel' option, there is a description: 'A layout for a text intensive story that excels at combining your photos, videos, and maps in a clear focused message.' and a link 'VIEW A LIVE EXAMPLE'. Below the 'Floating Panel' option, there is a description: 'A layout that puts your cartography in focus while allowing a transparent short form text panel to help tell the story.' and a link 'VIEW A LIVE EXAMPLE'. At the bottom center, there is a blue 'START' button. A large black arrow points from the bottom right towards the 'START' button.

START

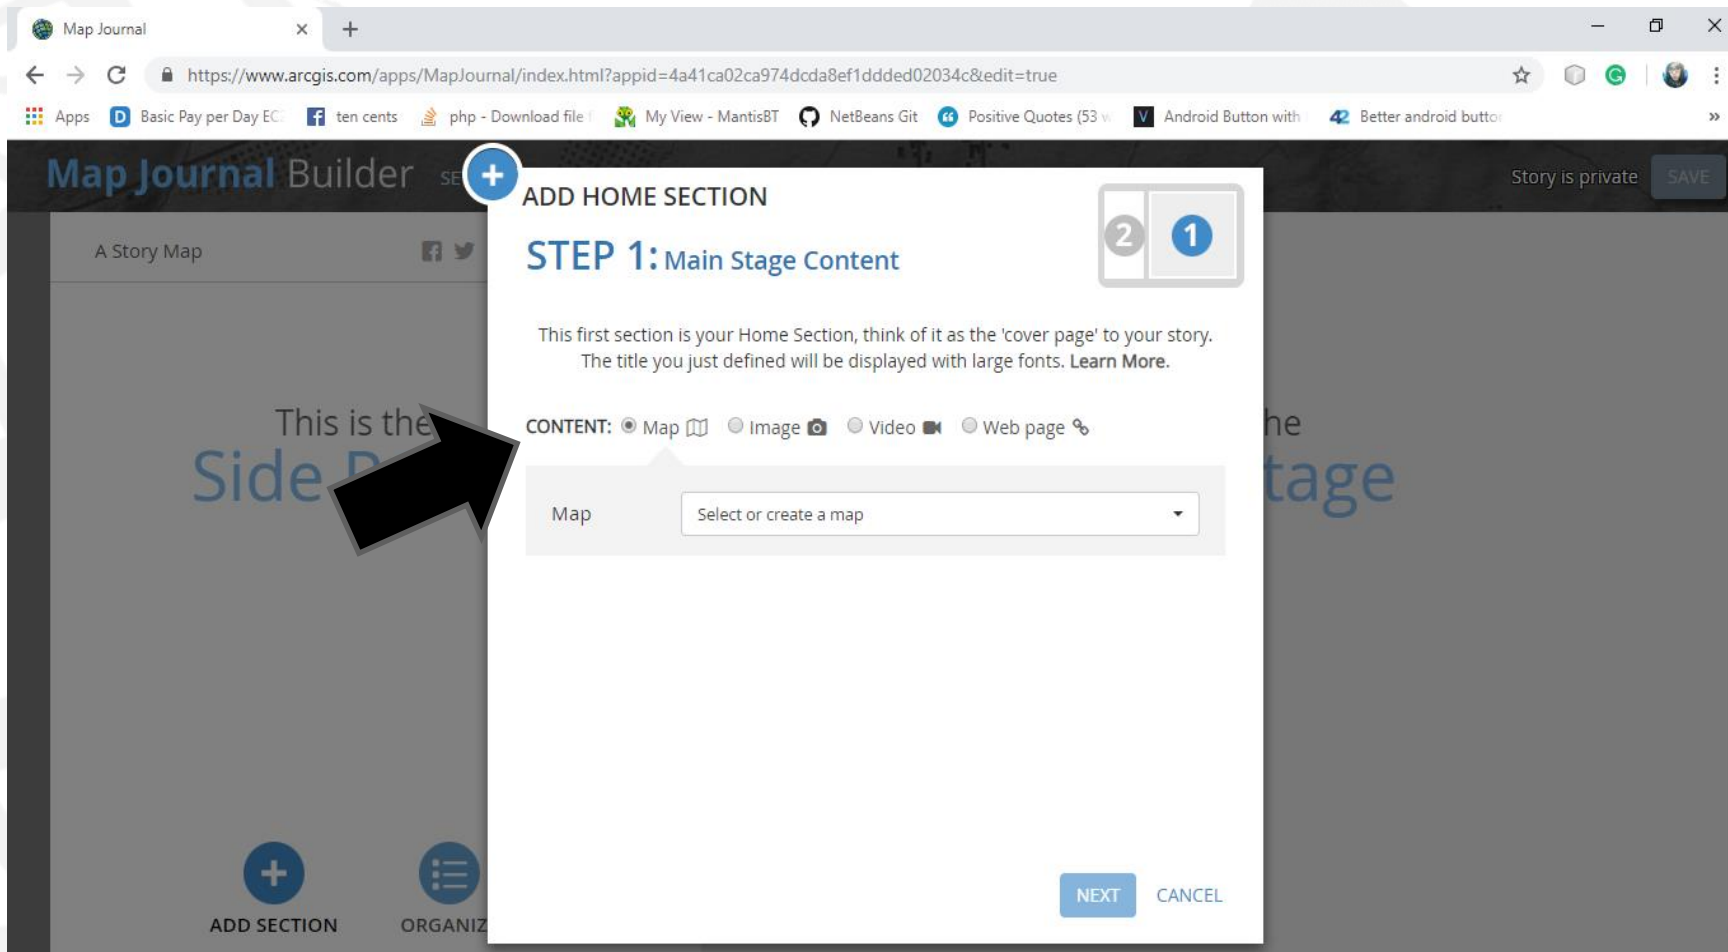

The screenshot shows a web browser window displaying the Map Journal Builder interface. The browser's address bar shows the URL: <https://www.arcgis.com/apps/MapJournal/index.html?appid=4a41ca02ca974dcda8ef1ddded02034c&edit=true>. The browser's tab is labeled "Map Journal". The browser's address bar also shows a list of search results: Apps, Basic Pay per Day EC, ten cents, php - Download file, My View - MantisBT, NetBeans Git, Positive Quotes (53), Android Button with, Better android button.

The Map Journal Builder interface has a dark header bar with the title "Map Journal Builder" and navigation links: SETTINGS, SHARE, VIEW STORY, and HELP. A status message on the right says "Story isn't saved yet" with a "SAVE" button.

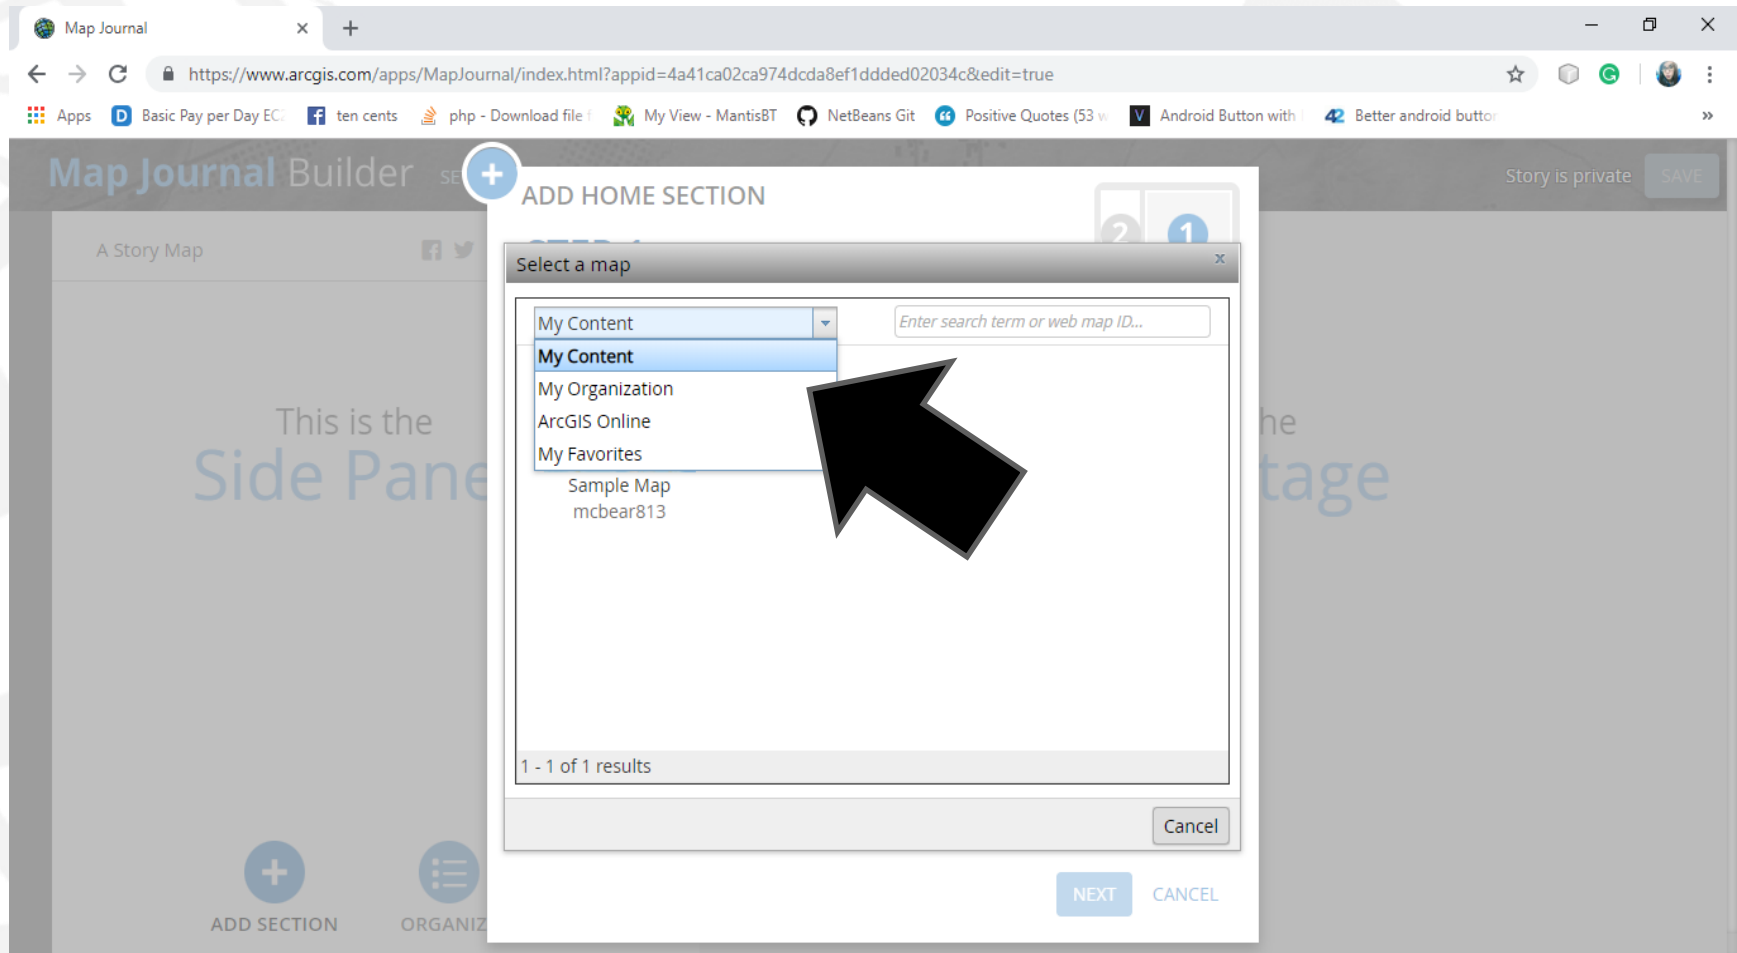

The main content area is titled "A Story Map" and features the Esri logo. It displays a quote: "If you wish to influence an individual or a group to embrace a particular value in their daily lives, tell them a compelling story." —Annette Simmons.

Below the quote, the question "What do you want to call your Map Journal?" is displayed. A text input field contains the text "My Story Map". To the right of the input field is a blue button with a white right-pointing arrow. A large black arrow points to this button.

Below the input field, the word "OR" is displayed. Below "OR" is a blue circular button with a white binoculars icon, labeled "TAKE A TOUR".

The screenshot shows a web browser window with the URL <https://www.arcgis.com/apps/MapJournal/index.html?appid=4a41ca02ca974dcda8ef1ddded02034c&edit=true>. The browser's address bar and tabs are visible. The main content area displays the 'Map Journal Builder' interface. A modal dialog box titled 'ADD HOME SECTION' is open, showing 'STEP 1: Main Stage Content'. The dialog includes a description: 'This first section is your Home Section, think of it as the 'cover page' to your story. The title you just defined will be displayed with large fonts. [Learn More.](#)'. Below this, the 'CONTENT' section has radio buttons for 'Map' (selected), 'Image', 'Video', and 'Web page'. Under the 'Map' option, there is a dropdown menu labeled 'Map' with the text 'Select or create a map'. A large black arrow points from the 'Map' dropdown to the background map area. The background map area shows a preview of the story map with the text 'This is the Side Panel' and 'the Stage'. At the bottom of the dialog, there are 'NEXT' and 'CANCEL' buttons. The background map area also has a 'Story is private' status and a 'SAVE' button.

The screenshot shows the Map Journal Builder interface. At the top, there's a browser window with the URL <https://www.arcgis.com/apps/MapJournal/index.html?appid=4a41ca02ca974dcda8ef1ddded02034c&edit=true>. Below the browser, the Map Journal Builder interface is visible. A dialog box titled "Select a map" is open, showing a list of maps. A large black arrow points to the "My Content" item in the list. The list includes "My Content", "My Organization", "ArcGIS Online", "My Favorites", and "Sample Map mcbear813". The dialog box also has a search bar and a "Cancel" button. In the background, the Map Journal Builder interface shows a "ADD HOME SECTION" button and a "NEXT" button.
