# PHILIPPINE IDENTIFICATION SYSTEM

## What is the Philippine Identification System or PhilSys?

- The PhilSys is the government's central identification platform for all citizens and resident aliens of the Philippines. Signed by President Rodrigo Duterte on 06 August 2018, RA 11055 or known as "An Act Establishing the Philippine Identification System" has started taking effect since 25 August 2018. The IRR of the law was approved by the PhilSys Policy and Coordination Council (PSPCC) on 05 October 2018.

## Who will implement the PhilSys?

- The PSA shall be the primary implementing agency to carry out the provisions of the PhilSys Act. Overall planning, management, and administration of the PhilSys shall be the responsibility of the PSA.

# ***PHILIPPINE IDENTIFICATION SYSTEM***

## **Moving Forward for the PSA and PhilSys**

The PSA will enter into an Agency-to-Agency Agreement with the Philippine Postal Corporation (PHLPost) for a Proof of Concept. This will show an effective Registration Process that will capture both the demographic and biometric data of Filipino citizens and resident aliens in preparation for the full-scale implementation of the PhilSys. Learning from the Proof of Concept will be considered in the finalization of the technical specifications and bidding process for the entire Registration Process.
