Pre-bid Conference for the procurement of office furniture for PhilSys (1st Posting).

Ms. Adlawan informed the BAC that there were five (5) prospective bidders have submitted quotations. She welcomed Mr. Edwin Asuncion from Cubix Office Inc., Ms. Ligaya Saturnino from IKF Home, Ms. Marites Baquiran from Design Excellence, Mr. Cresto C. Mahilum from Gemstone Enterprises and Ms. Jammes C. Francisco from Progress Home and Office Furnishings.

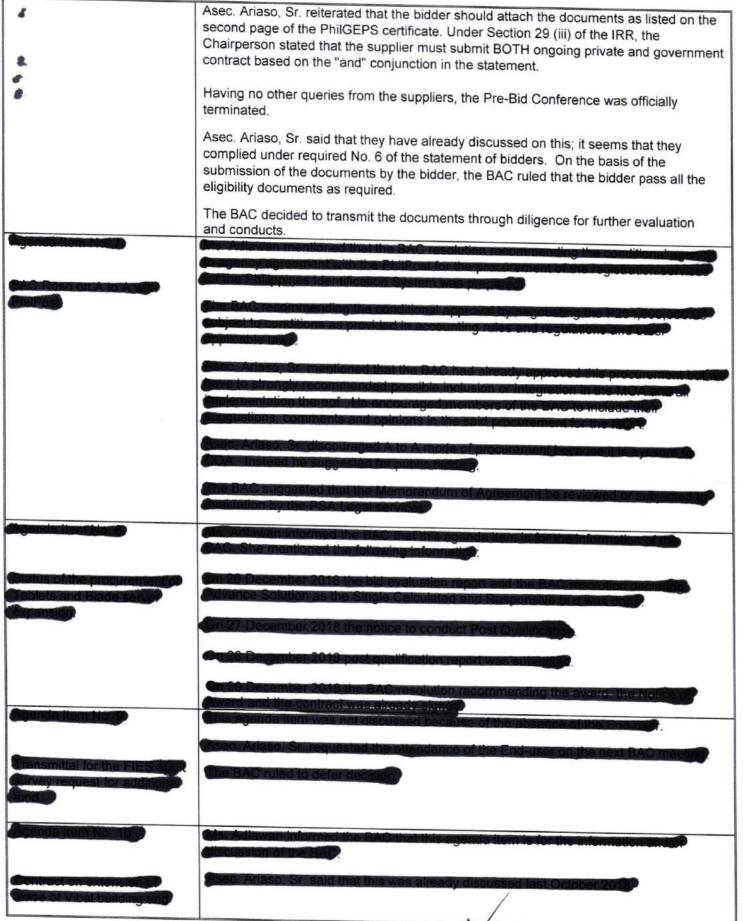

Ms. Adlawan mentioned that this is a Pre-bid for office furniture for PhISys that consist of 1 lot for 29 unit of low office partition, 45 units of Junior executive chairs, 1 unit compound table with 16 chairs, 1 unit of dining table with 6 chairs, 20 units of fortified filing cabinets, 12 units of Executive tables, 12 units of Executive chairs and 1 unit bolt digital steal hunted to wall and read the compliance requirements as mentioned in the bidding document. The ABC for this procurement amounted to PhP2,047,500.00.

Queries on the Technical Specifications:

- One of the prospective suppliers asked if the lead time (delivery date) can be adjust to sixty (60) days as against the original thirty (30) days. The end-user negotiated and explained that they can only extend the lead time up to forty-five (45) days maximum.
- 7. The dimensions of the vault were inquired. The suppliers asked if the end-user has a space ready to insert the vault or not. The end-user has affirmed that they have no dimensions yet for the vault. A bid bulletin was to be uploaded to clarify and be used as a reference for both queries.
- 8. Another bidder seek clarification on the design of the executive chairs to be procured since the specifications only indicated "high-backed / low-backed chair", and there was no picture as a point of reference. The BAC answered that they did not specify the image of the chairs to encourage bidders to submit their best design.
- Another inquired on the design of the glass on the dining table, whether the enduser prefer the simple glass (clear) type, or the tempered or frosted design.
   The end-user answered that as long as the material is glass as stated in the specifications, they are amenable to it.
- For the chairs for the dining set, the end-user concurred to use metal since the material was not specified.
- 11. Another bidder raised a query regarding the office partition, if they can ask for a lay-out or the floor area of the office also, if the partition is for individual or like the cross-type which has four (4) partitions. The end-user replied that they would submit a clarification through bid bulletin for this matter.
- 12. The seating capacity for the couch set was asked. The end-user answered that since it is a set, there should be a one 3-seater capacity and two 1-seater with no coffee table.
