## 3. Review and Clearance Application of through the Statistical Survey Review and Clearance System (SSRCS) - Submitted at Central Office Requiring Meeting with Statistical Methodology Unit and Subject Matter Divisions

The Statistical Survey Review and Clearance System (SSRCS) is a mechanism implemented by the Philippine Statistics Authority (PSA) which involves the process of evaluating the design and instruments of statistical surveys and censuses sponsored and/or to be conducted by government agencies, including government corporations at the national and local levels.

Rule No. 28 of the Implementing Rules and Regulations of the Republic Act No. 10625, also known as the "Philippine Statistical Act of 2013 mandates the PSA to establish "a SSRCS to provide assistance and support to the statistical work of other government agencies in the PSS, including local government units and government owned and controlled corporations

The following statistical surveys/censuses are covered by the SSRCS:

- All statistical surveys/censuses which are sponsored and/or conducted by government agencies, regardless of funding source and sample size
- Surveys/ censuses contracted out by government agencies to private organizations and NGOs
- Censuses/surveys fully or partially funded by international organizations but will be conducted by government agencies
