INTERAGENCY COMMITTEE ON ENVIRONMENT AND NATURAL RESOURCES STATISTICS

IACENRS Resolution No. 02
Series of 2015

ESTABLISHING THE TECHNICAL WORKING GROUP ON ENERGY RESOURCES STATISTICS (TWG-ERS)

WHEREAS, an Interagency Committee on Environment and Natural Resources Statistics (IACENRS) was established on 23 December 2014 through PSA Memorandum Order No. 2 series of 2014 to serve as a venue for discussion and resolution of issues, to review current techniques/methodologies, and to recommend policies and workable schemes towards the improvement of environment and natural resources and other related statistics;

WHEREAS, the scope and coverage of the ENR sector is broad and interdisciplinary in nature, and energy resources is one of the subsectors that is an integral component that would complete the holistic picture of the country's resources and ecosystems;

WHEREAS, the generation of accurate, reliable, timely/time bound and comprehensive energy resources statistics and accounts are indispensable in planning and policy making for more effective management, protection, and conservation of ENR and can be best achieved through the collaborative efforts of concerned agencies;

WHEREAS, addressing the data gaps and other issues/concerns on energy resources statistics, accounts, and other related indicators is a continuing process due to the evolution of the configuration of the energy resources subsector as well as the need to systematize the generation, collection, and compilation of energy resources statistics and accounts;

NOW, THEREFORE, BE IT RESOLVED, that a Technical Working Group on Energy Resources Statistics (TWG-ERS) be established and be composed of the following agencies:

Chair: Director, Energy Policy and Planning Bureau; Department of Energy (DOE)

Vice Chair: Philippine National Oil Corporation

Members: Climate Change Commission
Energy Regulatory Commission
Energy Resource Development Bureau, DOE

The TWG-ERS shall have the following functions:

1. Serve as a forum for discussion and resolution of concerns/problems and issues in the compilation, processing, and dissemination of energy resources statistics, accounts, and other related indicators in terms of accuracy, completeness, timeliness, and relevance;
2. Review and enhance the concepts, techniques, and methodologies used in the collection, processing, and reporting of energy resources statistics and accounts to ensure conformity with the prescribed statistical standards and classification system;
3. Identify and recommend statistical measures, strategies, and policies for the improvement of energy resources statistics and accounts to the IACENRS;
4. Recommend improvements in the methodology of compiling energy resources statistics and accounts and formulate measures to ensure that the data requirements of the same are being generated and addressed by all concerned agencies;
5. Prioritize outputs that will address the more urgent statistical requirements in the Philippine Statistical Development Program, including those required to monitor/measure accomplishment of relevant chapters of the Philippine Development Plan and its Results Matrix;
6. Update the IACENRS on developments in energy resources statistics and accounts; and,
7. Provide data/information support in the development, generation, and maintenance of ENR frameworks, including identification of viable data sharing/exchange platform for various end-users.

The TWG shall adhere to the PSA Guidelines for Interagency Committees (IACS), Technical Committees (TCs), Technical Working Groups (TWGs), and Task Forces (TFs) in the implementation of its activities and in the preparation of reports and recommendations;

The TWG shall submit to the IACENRS its work program and report on the progress of its work including the findings and recommendations on issues referred to it.

The membership of the TWG may be increased or decreased, as the exigencies of its work would require.

The TWG may invite other agencies or individuals as resources persons as the need for them arises.

For effective conduct of meetings, the TWG is authorized to define its own quorum.

Secretariat: To enhance the effectiveness and efficiency of the TWG, the technical staff from the Energy Policy and Planning Bureau of the DOE shall provide the necessary administrative and logistics support while the technical staff from MAS-PSA shall provide the technical support as needed.

The TWG secretariat shall review its composition on an annual basis and recommend its reconstitution to the IACENRS if deemed necessary.

Approved this 31st of March 2015
