## **EXPLANATORY NOTE**

### **Introduction**

The National Statistics Office conducted the 2007 Census of Population or POPCEN 2007 on August 1, 2007. This nationwide undertaking is the 12<sup>th</sup> census of population that was undertaken since the first census in 1903.

Like the previous censuses conducted by the office, POPCEN 2007 was designed to take an inventory of the total population in the Philippines and its provinces, cities, municipalities and barangays and to collect some information about the demographic, social, and economic characteristics of the population.

### **Authority for conducting the POPCEN 2007**

Section 2 of Commonwealth Act No. 591, approved on August 19, 1940, authorized the Bureau of the Census and Statistics (now the National Statistics Office or NSO) to collect by enumeration, sampling or other methods, statistics and other information concerning population and to conduct, for statistical purposes, investigations and studies of social and economic conditions in the country, among others.

Executive Order No. 121, signed on January 30, 1987, declared that the NSO shall be the major statistical agency responsible for generating general-purpose statistics and for undertaking such censuses and surveys as maybe designated by the National Statistical Coordination Board (NSCB);

Presidential Proclamation No. 1346 “Declaring August 2007 as National Census Month” enjoined all departments and other government agencies including government-owned or controlled corporations, as well as local government units to implement and execute the operational plans for the 2007 Census of Population (POPCEN 2007), directives and orders of the NSCB, through the NSO.

### **Coordination for the POPCEN 2007**

The NSO, headed by the Administrator, is the agency mandated to formulate and execute plans to undertake POPCEN 2007. All authorities pertaining to the operational procedures of census undertaking emanate from the NSO Administrator. To assist in the various aspects of this activity, the National Census Coordinating Board (NCCB) was created with the Secretary of the

National Economic and Development Authority (NEDA) as Chairperson, and Secretaries from other Departments as Members with the Administrator of the NSO as Executive Officer of the Board.

In the field, the NSO Regional Director (RD) was the Executive Officer of the Regional Census Coordinating Board (RCCB). He/She was responsible for the coordination, monitoring, and supervision of operations in all provinces within the region. The RCCB was chaired by the Regional Director of the NEDA. The Regional Director of the Department of the Interior and Local Government (DILG) served as the Vice Chairperson. The members were the heads of the following regional offices: Regional Development Council, National Statistical Coordination Board, Department of Agrarian Reform, Department of Agriculture, Department of Education (DepEd), Department of Environment and Natural Resources, Department of Finance, Department of Foreign Affairs, Department of Justice, Department of Labor and Employment, Department of National Defense, Department of Public Works and Highways, Department of Social Welfare and Development, Department of Trade and Industry, Department of Transportation and Communications, Department of Tourism, Department of Science and Technology, Department of Health, Commission on Population, National Commission on Indigenous Peoples (NCIP), and Office of Muslim Affairs.

At the local government level, Provincial Census Coordinating Boards (PCCB) and City/Municipal Census Coordinating Boards (C/MCCB) were created. The Provincial Governor was the Chairperson of the PCCB and the Division Superintendent of Schools, the Vice Chairperson. The District Highway Engineer, Provincial Commander (PNP), Provincial Planning and Development Officer, Provincial Assessor, Provincial Agriculturist, Provincial Population Officer, Provincial Environment and Natural Resources Officer, Provincial Social Welfare and Development Officer, Provincial Information Officer, NCIP Development Management Officer V, and three representatives from the private sector served as members. The Provincial Statistics Officer was the Executive Officer. He/She was also responsible for the field operations in the province.

The C/MCCB was composed of the City/Municipal Mayor and co-chaired by the City Superintendent/District Supervisor of Schools by the DepEd. The members were composed of the following: The Station Commanders, City/Municipal Planning and Development Officer, City/Municipal Population Officer, City/Municipal Civil Registrar, City Assessor (CCCB), Municipal Agriculturist (MCCB), and a representative from the private sector. The District Statistics Officer served as Executive Officer.

## **Method of Enumeration**

The gathering of population data was performed by census enumerators through house-to-house visits and interview of the head of each household on population items. Special areas like exclusive villages/subdivisions were enumerated by requesting the respondents to fill up the Self-Administered Questionnaire (SAQ), that is, a questionnaire with a set of printed instructions and illustrations on how to accomplish it. Residents of institutions such as hospitals, sanitarium, penitentiary, military camps, convents, seminaries were enumerated using the questionnaire for institutional population.

The de jure method of enumeration was used, that is, all persons were enumerated in their usual place of residence, which is the geographic place where the person usually resides.

## **Content and Coverage of this Report**

In this report, the population counts by province, city/municipality and barangay are presented.

## **Definition of Terms and Concepts**

The operational definitions and concepts adopted in the POPCEN 2007 have also been used in past censuses of population. The use of the same operational definitions of terms and concepts in our population censuses will ensure comparability of census results. The POPCEN 2007 enumerators were instructed to adhere strictly to these operational definitions.

### ***Barangay***

A barangay is the smallest political unit in the country. Generally, one enumerator is assigned to enumerate one barangay. For enumeration purposes, a large barangay is usually divided into parts, and each part is called an enumeration area (EA).

For purposes of the POPCEN 2007, the official list of barangays of the DILG in the Philippine Standard Geographic Codes as of December 2007 was used as the basis.

For purposes of this report, the population of an area disputed by two barangays in the same municipality is excluded from either disputing barangay but included in the municipality. A disputed barangay between two municipalities in the same province is included in the count of the province, while, the population of a disputed barangay between two provinces is included in the count at the national level. A disputed barangay refers to an area which is being claimed by two or more barangays, municipalities, cities or provinces

### ***Enumeration Area***

An enumeration area (EA) is a delineated area usually consisting of about 350 to 500 households. It could be an entire barangay or part of a barangay. It is assigned to one enumerator.

### ***Usual Place of Residence***

This refers to the geographic place (street, barangay, city/municipality or province) where the enumerated person usually resides. As a rule, it is the place where that person sleeps most of the time, hence, it may be the same as or different from the place where he/she was found at the time of the census.

### ***Household***

A household is a social unit consisting of a person living alone or a group of persons who sleep in the same housing unit and have a common arrangement in the preparation and consumption of food.

In most cases, a household consists of persons who are related by kinship ties, like parents and their children. In some instances, several generations of familial ties are represented in one household while, still in others, even more distant relatives are members of the household.

Household helpers, boarders, and non-relatives are considered as members of the household provided they sleep in the same housing unit and have common arrangements for the preparation and consumption of food and do not usually go home to their family at least once a week.

A person who shares a housing unit with a household but separately cooks his meals or consumes his food elsewhere is not considered a member of the

household he/she shares the housing unit with. This person is listed as a separate household.

### **Whom to Enumerate**

As in past population censuses, enumerators in POPCEN 2007 were provided with guidelines on whom to list as members of a household. This will ensure uniformity in determining household membership and in identifying persons to be included in the enumeration or excluded from it. Furthermore, this will ensure that there is no omission or duplication in the enumeration of persons and households during census-taking. The following are the guidelines in determining household membership:

#### ***Persons enumerated as members of the household***

The following individuals are enumerated as members of a household.

1. Those present at the time of visit and whose usual place of residence is the housing unit where the household lives.
2. Family members who are overseas workers and who have been away at the time of census for not more than five years from the date of departure and are expected to be back within five years from the date of last departure. These include overseas workers who are on vacation in the Philippines and with existing work contract.

*An overseas worker is a household member who is currently out of the country due to overseas employment. He/She may or may not have a specific work contract or may be presently at home on vacation but has an existing overseas employment to return to. Undocumented overseas workers, or “TNT” (“Tago Nang Tago”), are considered as overseas workers for as long as they are still considered members of the household and if they have been away for less than five years. However, immigrants are excluded from the census.*

3. Those whose usual place of residence is the place where the household lives but are temporarily away at the time of the census for any of the following reasons:
  - a. on vacation, business/pleasure trip, or training somewhere in the Philippines and are expected to be back within six months from the

- date of departure. An example is the training with the Armed Forces of the Philippines for not more than six months;
- b. on vacation, business/pleasure trip, or studying/training abroad and are expected to be back within a year from the date of departure;
  - c. working or attending school in some other place but comes home at least once a week;
  - d. confined in hospitals for a period of not more than six months as of August 1, 2007 except when they are confined as inmates of tuberculosis pavilions, mental hospitals, leprosaria or leper colonies, drug rehabilitation centers, and others;
  - e. detained in national/provincial/city/municipal jails or in military camps for a period of not more than six months as of August 1, 2007 except when their sentence or detention is expected to exceed six months;
  - f. on board coastal, inter-island, or fishing vessels within Philippine territories; and
  - g. on board oceangoing vessels but are expected to be back within five years from the date of departure.
- 4. Boarders/lodgers of the household or employees of household-operated businesses who do not usually return/go to their respective homes weekly.
  - 5. Citizens of foreign countries, excluding members of diplomatic missions and non-Filipino members of international organizations, but including Filipino “balikbayans” who have resided or are expected to reside in the Philippines for at least a year from their arrival.
  - 6. Persons temporarily staying with the household who have no usual place of residence or who are not certain to be enumerated elsewhere.

### ***Persons Included in the Census Enumeration***

Included in the enumeration are those who are alive as of 12:01 a.m. of August 1, 2007 and who are:

1. Filipino nationals permanently residing in the Philippines;
2. Filipino nationals who, as of census date, are temporarily at Philippine sea, or are temporarily on vacation, business/pleasure trip or study/training abroad and are expected to be back within a year from the date of departure;
3. Filipino overseas workers, including those on board oceangoing vessels, who are away at the time of census and expected to be back within five years;
4. Philippine government officials, both military and civilian, including Philippine diplomatic personnel and their families, assigned abroad; and
5. Civilian citizens of foreign countries having their usual residence in the Philippines or foreign visitors who have stayed or are expected to stay for at least a year from the date of their arrival in this country.

#### ***Persons Excluded from the Census Enumeration***

Excluded from the enumeration are the following persons, although they happen to be within the territorial jurisdiction of the Philippines at the time of the census enumeration:

1. Foreign ambassadors, ministers, consuls, or other diplomatic representatives, and members of their families (except Filipino and non-Filipino employees who have been residents of the Philippines prior to said employment);
2. Citizens of foreign countries living within the premises of an embassy, legation, chancellery, or consulate;
3. Citizens of foreign countries who are chiefs or officials of international organizations like United Nations (UN), International Labor Organization (ILO), Asian Development Bank (ADB), Food and Agricultural Organization (FAO), the U.S. Agency for International Development (USAID) who are subject to reassignment to other countries after their tour of duty in the Philippines, and members of their families;
4. Citizens of foreign countries together with non-Filipino members of their families, who are students or who are employed, or have business in the

Philippines but who are expected to stay in the country for less than a year from arrival;

5. Citizens of foreign countries and Filipinos with usual place of residence in a foreign country who are visiting the Philippines and who have stayed or are expected to stay in the country for less than a year from arrival (e.g., a “balikbayan” who will return to his/her usual place of residence abroad after a short vacation or visit in the Philippines);
6. Citizens of foreign countries in refugee camps/vessels; and
7. Residents of the Philippines on vacation, pleasure or business trip, study or training abroad who have been away or expected to be away from the Philippines for more than one year from departure.

## 2007 Census of Population HIGHLIGHTS
