SECOND MINISTERIAL CONFERENCE

Preparations for the Second Ministerial Conference on Civil Registration and Vital Statistics in Asia and the Pacific, scheduled for **16 - 19 November 2021**, are going ahead.

The current COVID-19 crisis sheds light on the need for resilient civil registration systems which will be reflected in the new programme for the Conference. Some documents' publication and meetings are still expected to occur in the build-up to inform stakeholders and leave space and time for discussions on how to best address remaining challenges to achieving the CRVS Decade goals and targets. The content of the different sessions to be held was discussed at Regional Steering Group meetings, and partners and countries are now working to ensure maximal participation to the Conference.
