

## **STATEMENT OF COMMITMENT**

I \_\_\_\_\_ (state your name), a duly appointed \_\_\_\_\_ (state your position) of \_\_\_\_\_ (Name of Office or Agency) commit to perform all my obligations due to my office. As a member of the civil registration and vital statistics community, I will carry out the civil registration programs of my locality with the highest degree of professionalism and public service. I impose upon myself the following, without any mental reservation and purpose of evasion:

- I will actively participate in the development of a well-functioning national Civil Registration and Vital Statistics (CRVS) system;
- I will collaborate and cooperate with the stakeholders towards achieving the goals and the national targets of the CRVS Decade 2015-2024;
- I will support the Inter-Agency Committee on CRVS in its endeavor to provide for an efficient and effective civil registration;
- I will promote the importance of a good civil registration and encourage my fellowmen to register their vital civil registry records on a timely basis;
- I will take part in the dissemination of people's right to claim their own identity, civil status, and rights through civil registration;

- I will contribute in the release of timely, quality, and accessible vital statistics;
- I will record and deliver only accurate, complete, and timely civil registration records and statistics;
- I will equip myself with knowledge on civil registration and share the same with my colleagues;
- I will not be involved or let my office be used for the proliferation of corruption and other illicit activities in civil registration;
- I will attend to the concerns of the public, responsively and compassionately; and
- I will remain loyal to our oath of office and fulfill my part in our mandate.

So help me GOD.”
