2022 Statistical Information Management Exhibit (SIMEx)

Invitation

The Philippine Statistics Authority (PSA) now accepts registration of exhibitors to the 2022 Statistical Information Management Exhibit (SIMEx) to be held on **03 to 05 October 2022** at the Crowne Plaza Manila Galleria, Quezon City.

About the 2022 SIMEx

The exhibit will provide a venue where exhibitors can feature and promote their latest statistical software, hardware, and other products for statistical information management.

The 2022 SIMEx coincides with the conduct of the 15th National Convention on Statistics (NCS) which is the country's biggest gathering of statisticians, statistical practitioners, members of the academe, researchers, students, and media, both from the government and private sectors.

Through the years, the NCS has provided a forum for exchanging ideas and experiences in the field of statistics and for discussing recent statistical developments and prevailing issues and problems of the Philippine Statistical System (PSS).

Invited Exhibitors

Government, private companies, and international organizations offering resources/products and services in support of sound decision-making are invited as exhibitors of the following:

- Computer hardware
- Personal and multimedia systems
- Information systems and application software
- Data Communication systems
- Publications and journals
- Visual presentation systems
- Information services
- Consultancy services
- Research services
- Technology transfer
- Data entry, scanning, and accessing systems and devices

Participants/Visitors
