01-03 OCTOBER 2019

Bulletin No. 3
Call for Exhibitors
July 2019

Organized by the Philippine Statistical System
Spearheaded by the Philippine Statistics Authority

INVITATION

The Philippine Statistics Authority (PSA) now accepts registration of exhibitors to the **2019 Statistical Information Management Exhibit (SIMEx)** to be held on **01-03 October 2019** at the **Crowne Plaza Manila Galleria**.

ABOUT THE 2019 SIMEX

The exhibit will provide a venue where exhibitors can feature and promote their latest software, hardware, and other products for statistical information management.

The 2019 SIMEx coincides with the conduct of the 14th National Convention on Statistics (NCS) which is the country's biggest gathering of statisticians, statistical practitioners, academicians, researchers, students, and media, both from the government and private sectors. Through the years, the NCS has provided a forum for exchanging ideas and experiences in the field of statistics and for discussing recent statistical developments and prevailing issues and problems of the Philippine Statistical System (PSS). It has also developed new and strengthened partnerships among government agencies, private sector, media, academia, and international organizations.
