Call for 2019 SIMEx Exhibitors

The Philippine Statistics Authority (PSA) now accepts applications from interested Exhibitors to the **Statistical Information Management Exhibit (SIMEx)** which shall be held on 1-3 October 2019 at the Crowne Plaza Manila Galleria, Quezon City. The SIMEx is a great venue where exhibitors can feature and promote their latest software, hardware, and other products for statistical information management.

The 2019 SIMEx coincides with the conduct of the 14th National Convention on Statistics (NCS) which is the country's biggest gathering of statisticians, statistical practitioners, academicians, researchers, students, and media, both from the government and private sectors. Through the years, the NCS has provided a forum for exchanging ideas and experiences in the field of statistics and for discussing recent statistical developments and prevailing issues and concerns of the Philippine Statistical System (PSS). It has also developed new and strengthened partnerships among government agencies, private sector, media, academia, and international organizations.

Interested exhibitors may send thru email the duly accomplished registration form to the 14th NCS Secretariat/PSA Central Office through :

Mr. Ruben Litan or Mr. Oliver P. Chancoco
