October	Free consulting services	Consultation	Virtual / Online	INSTAT Statistical Consulting Group	Through the initiative of the Institute of Statistics' Statistical Consulting Group, free statistical consulting services will be offered to UPLB undergraduate and graduate students, <u>faculty, and researchers.</u>
October	Webinar / training workshop	Training	Virtual / Online	The Young Statistics of the International Statistical Institute, YSISI / INSTAT	A 3-part series of webinars in line with the 3rd World Statistics Day theme "Connecting the world with data we can trust" will be organized. One of the target webinar workshops will be co-organized by YS-ISI. It is intended to be a 2-day workshop with its topic "Data Science for Official Statistics" on the basis of open data of the World Bank, Eurostat, and Rostat. Another target webinar is about the use of cutting edge artificial intelligence algorithm to get most out of the data. The target speakers would come from either Thinking Machines Data Science or AI4Gov. Lastly, the finale of the 3-part series would be webinar on getting insights from the data using data visualization. The webinars will be open to the general public.
