ERRATUM ON THE HIGHLIGHTS OF THE 2018 MUNICIPAL AND CITY LEVEL POVERTY ESTIMATES

21 June 2022

The Philippine Statistics Authority released the Highlights of the 2018 Municipal and City Level Poverty Estimates on 15 December 2021. However, typographical errors were made on the second statement of the last paragraph on page 4, to wit:

Meanwhile, there were 40 and 27 cities and municipalities in the same region classified under Levels **3** and **2**, respectively.

The **updated statement** is:

Meanwhile, there were 40 and 27 cities and municipalities in the same region classified under Levels **4** and **3**, respectively.

Given the corrections above, the Highlights of the 2018 Municipal and City Level Poverty Estimates was revised accordingly and can be accessed through this link: <https://psa.gov.ph/poverty-sae-press-releases>.
