* - indicator(s) is/are part of the updated Philippine Core GAD Indicators. More information on the Updated Philippine CoreGAD is accessible through this link <https://psa.gov.ph/psa-board-4>

'-' - not applicable or data not reported

n/ The 2021 GAD Plan and Budget data is based on the 2021 submitted GAD budget reports.

n1/ Data includes allocation and utilization budgets of national government agencies (NGAs), State Universities and Colleges (SUCs), and Government-Owned and Controlled-Corporations (GOCCs) only. LGU data can be requested from DILG.

n2/ 2021 data on number of agencies with established GAD Focal Point System is minimal since PCW did not issue a call to agencies for GFPS profiling.

n3/ The total number of assessed barangays were 23,568 from Regions I, II, III, CALABARZON, VII, VIII, IX, X, and National Capital Region (NCR) out of 42,046 barangays nationwide. The levels of functionality are defined as follows:

Basic – satisfied 20% or below of the requirements for establishment

Progressive – satisfied 21% to 50% of the requirements wherein aside from the establishment and availability of resources, it also satisfied the requirements of some of the sub-indicators under policies, plans and budget.

Mature – satisfied 51% to 80% of the requirements for the Establishment, Resources, Policies, Plans and Budget, and some of the sub-indicators of Accomplishment.

Ideal – satisfied 81% to 100% of the requirements.

o/ Full list of Philippine Sustainable Development Goals and Targets is compiled in the SDG Watch published in the PSA website (www.psa.gov.ph/sdg).

o1/ The definition adopted the UN concepts and definition that excludes local government officials holding executive positions.

o2/ Based on the annual results of the 2021 Labor Force Survey.
