- NOTES:**
- * This is labeled either 1 if the country satisfies the requirement of the indicator and 0 if otherwise.
 - P Preliminary data.
 - r Revised data.
 - 1/ This is based on the updated 2030 nationally determined numerical targets for the SDGs identified through the conduct of consultation and validation workshops through the Sub-Committee on SDGs of the DBCC and its TWG spearheaded by the NEDA.
 - 2/ Starting January 2023, the new structure of Bangsamoro Autonomous Region in Muslim Mindanao (BARMM) includes provinces of Maguindanao del Sur and Maguindanao del Norte (previously Province of Maguindanao), Cotabato City and the eight cluster areas (63 barangays, previously from Province of Cotabato)
 - 3/ The province of Leyte was not covered during the April 2014, July 2014, October 2014, January 2015 and April 2015 rounds due to new sampling frame for the province of Leyte has to be created as an effect of the large number of households in Leyte which were displaced by typhoon Yolanda. The old listing of households for Leyte used as sampling frame for the 2003 Master Sample is no longer usable.
 - 4/ The previous data submission refers to frequency rates instead of incidence rates.
 - 5/ The revision of 2030 numerical target was based on submission of DOT dated 20 March 2025.
 - 6/ The data series were revised as new parameter was used to estimate employment in tourism industries.
 - 7/ Number of bank branches (domestic banking offices only) cover universal and commercial; thrift; and rural and cooperative banks.
