

REPUBLIC OF THE PHILIPPINES
PHILIPPINE STATISTICS AUTHORITY BOARD

**PSA Board Resolution No. 10
Series of 2023**

**APPROVAL AND ADOPTION OF THE AMENDMENTS ON THE REFINED LIST
OF PHILIPPINE SUSTAINABLE DEVELOPMENT GOALS (SDG) INDICATORS**

WHEREAS, during the Philippine Statistics Authority (PSA) Board Meeting held on 15 February 2023, the refined list of Philippine Sustainable Development Goals (SDG) Indicators, comprising 97 global indicators, 36 proxy indicators, and 26 supplemental indicators, totaling 159 SDG indicators, was officially approved and adopted;

WHEREAS, after its approval, a more in-depth review of the refined list of Philippine SDG indicators revealed that two included indicators, namely:

SDG 1.4.1.p5 - Proportion of families with access to basic drinking water services; and

SDG 1.4.1.p6 - Proportion of families with access to (a) basic sanitation services and (b) handwashing facility with soap and water;

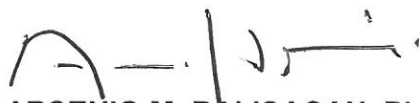

are in fact, considered proxies, for sub-indicators under the global indicator 1.4.1 - Proportion of population living in households with access to basic services. Consequently, these indicators should be excluded from the initially approved count of SDG main indicators.

NOW, THEREFORE, BE IT RESOLVED, that the PSA Board approves and adopts the amendments in PSA Board Resolution No. 2, series of 2023, on the Refined List of Philippine SDG Indicators as follows:

The total number of Philippine SDG main indicators to be monitored will be adjusted from 159 to 157 indicators. Further,

- a. The 157 indicators will now consist of 97 global indicators, 34 proxy indicators, and 26 supplemental indicators.
- b. Out of the 157 main indicators, 39 of which were split into 128 sub-indicators.
- c. The complete list of main and sub-indicators is provided in Annex BR-10-20230626-01.

Approved this 29th day of June 2023.
