7) Institutionalization of the compilation of Provincial Product Accounts	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes
8) Enhancement of administrative data collection systems of the local civil registration and vital statistics to complement national surveys	Agenda 2 - Reduce vulnerability and mitigate scarring from COVID-19 pandemic (Strengthen Social Protection) Agenda 3 - Ensure sound macroeconomic fundamentals and government processes
2. Increasing investment in the PSS towards human resource and statistical research and development, efficient digitalization, better statistical information management, wider data dissemination, and greater engagement with stakeholders	
a. Increasing the statistical workforce and establishing statistical units/positions in data-producing agencies per PSA Board Resolution No. 01, series of 2019	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes
b. Adoption of resource mobilization strategies such as:	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes
1) Cost-sharing within and among PSS member agencies	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes
2) Promotion of public-private partnership	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes
i. CRS-ITP2 Independent Consultancy through Project Development Management Facility (PDMF)	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes
c. Upgrading of physical resources and infrastructure to improve work conditions	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes
d. Enhancement of statistical capacity through human resource development and statistical research and development	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
1) Operational training on the regular surveys and statistical activities, data review and validation at the provincial and regional levels	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
2) Training on basic statistics, data management, analysis and dissemination, and data visualization like infographics and videographics	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs

2024-2026 PSS Budgetary Thrusts and Strategies	8-Point Socioeconomic Agenda
3) Conduct of training-workshop/briefing with stakeholders on the use of agricultural accounts and indicators	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
4) Development of capacity building activities to develop nowcasting capabilities of the PSS for poverty statistics and key macroeconomic variables such as inflation and GDP	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
5) Capacity building for implementation of CRVS Omnibus Bill (amendment of Act 3753)	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
6) Adoption of digitalization programs to enhance the delivery of services as well as capabilities of data users	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
7) Formulation of evidenced based research in support of government's policymaking efforts particularly on key sectors such as health, agriculture, energy and disaster risk management, among others	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
8) Conduct of field visits, studies, internet research or use of existing secondary data for updating the parameters (seed usage, wastage, processing), technical conversion ratios for Supply Utilization Accounts/Food Balance Sheet and common conversion rates for selected agricultural commodities for production estimation	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
9) Conduct of research/impact evaluation/process evaluation studies on PhilSys use cases (CRS, 4Ps, AICS, TCT, LGU, financial institutions), PhilSys Check (Public Key Modality), and emerging PhilSys services	Agenda 1 - Protect purchasing power of families Agenda 2 - Reduce vulnerability and mitigate scarring from the COVID-19 pandemic Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
e. Increasing investment in information and communications technology, and implementation of efficient digitalization strategies and programs towards digital transformation in the PSS	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes
1) Establishing a secure, resilient and modern enterprise IT infrastructure	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes
2) Increasing technology utilization to facilitate data production such as use of tablets, Artificial Intelligence (AI), Machine Learning (ML), Ground Truthing, and other GIS-based technologies	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes
3) Development of an integrated statistics portal for dissemination of available data in the PSS	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes

2024-2026 PSS Budgetary Thrusts and Strategies	8-Point Socioeconomic Agenda
4) Installation of security applications and adoption of new technologies and tools to protect data and systems from cyber-attacks and prevent/detect fraud in the handling/processing of data	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs Agenda 8 - Uphold public order and safety, peace and security
5) Institutionalization of data sharing, archiving, and warehousing using online and interactive technology;	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes
6) Development of Enhanced Philippine Civil Registry Information System (ePHILCRIS) for online registration of vital events and integration of CRVS and PhilSys	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
7) Development of an ePHILCRIS for foreign registered vital events at Philippine Foreign Service Post	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
8) Authentication system for the implementation of permanent validity of civil registry documents (birth, marriage and death) under R.A. 11909	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
9) Digitalization of RA 9048 and RA 10172 petition processing	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
10) Implementation of Civil Registry System - Information Technology Project Phase 2 transition phase	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
11) Updating of IRIS system for cause of death processing	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
12) Exploration/use of alternative methods of data collection to address data gaps for various issues especially those requiring immediate policy response;	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
i. Development and implementation of data collection system using Computer-Assisted Personal Interview (CAPI)	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
ii. Use of state of the art technology in mapping, enumeration, and gathering of information on selected crop/aquafarm areas	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes

2024-2026 PSS Budgetary Thrusts and Strategies	8-Point Socioeconomic Agenda
iii. Automation of Value of Production in Agriculture and Fisheries	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes
iv. Telephone/cellular phone surveys or surveys through the internet	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes
13) Development of Enhanced Solemnizing Officers Information System	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
14) Full implementation of PSA Care Officers Analytics and Response System (PSA CARES)	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
15) Continuous implementation of the PhilSys Birth Registration Assistance Project (PBRAP) in support of the CRVS Decade 2015-2024 target indicators	Agenda 1 - Protect purchasing power of families Agenda 2 - Reduce Vulnerability and Mitigate scarring from the COVID-19 pandemic Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
16) Continuous funding of Decentralized Copy Annotation Process (DeCAP)	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
17) Implementation of the revised civil registry forms	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
18) Online feedback mechanism for all CRS Outlets (Happy or Not)	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
19) Formulation of policy on data governance, data interoperability and data sharing	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes
20) Adoption of data dissemination and communication policies on official statistics to include strengthening education and advocacy on the rational use of statistics, fraud awareness, violations of Republic Act (RA) No. 11055, data privacy, and data security	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes
21) Improvement of accessibility, timeliness, and proactive dissemination and communication of statistics, through use of data visualization tools, analytics, and infographics	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs

2024-2026 PSS Budgetary Thrusts and Strategies	8-Point Socioeconomic Agenda
22) Integrating/Linking statistical and geospatial information to provide spatial dimension to socioeconomic variables/indicators for better data analysis without compromising data privacy	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
23) Establishment of cooperation arrangements with law enforcement agencies and local government units on the investigation of fraud-related incidents and reports of violations of RA 11055	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes
f. Establishment of a Big Data Center	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
3. Forging stronger partnerships with statistics-generating agencies/entities both here and abroad and with executive agencies providing related data to augment statistical resources and enhance statistical capacity	
a. Enhancement of linkages with the legislative branch and executive agencies	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes
1) Enhancement of statistical budget review process	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes
b. Conduct of frequent and periodic consultation with stakeholders on the production and use of statistics	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes
c. Establishment of sectoral working groups and strengthening of existing IACs through conduct of regular meetings	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes
d. Continued conduct of and participation in statistical advocacy activities such as:	
1) National Statistics Month celebration	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
2) National Convention on Statistics	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
3) World Statistics Day	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
4) International Conference on Sustainable Development Goals Statistics	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
5) National Convention on Civil Registration and Vital Statistics	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs

2024-2026 PSS Budgetary Thrusts and Strategies	8-Point Socioeconomic Agenda
6) Advocacy for CRVS omnibus bill (amendment of Act 3753)	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs

8) Institutionalization of the annual PSS Fellowship	Agenda 3 - Ensure sound macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
e. Organization of international conferences, training and workshops on key statistical topics in support of global statistical development and promotion of the PSS	Agenda 5 - Create quality jobs
f. Strengthening and forging institutional arrangements through Memorandum of Agreement (MOA)/Memorandum of Understanding (MOU)	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes
g. Provision of research grants to encourage graduate and undergraduate students to work on identified priority statistical development programs	Agenda 5 - Create quality jobs
h. Enhancement and promotion of partnerships with the international community;	
1) Generation/compilation of more data/indicators that will facilitate the proper monitoring and evaluation of the progress made in achieving the SDGs	
i. Development of methodologies to generate data on Tier 2 and 3 SDG indicators on health and social protection statistics	Agenda 2 - Reduce vulnerability and mitigate scarring from the COVID-19 pandemic
ii. Assessment of data holdings for the generation of Tiers 2 and 3 Sustainable Development Goals (SDGs) indicators related to agriculture and fishery	Agenda 1 - Protect purchasing power of families
4. Pursuance of management and coordination-related reforms to enable the PSS to more effectively respond to increasing data requirements, demands and needs of stakeholders	
a. Strengthening of legal and statistical frameworks and instruments for statistics generation and dissemination	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes
1) Overall revisit of Executive Order (EO) No. 352, "Designation of Statistical Activities That Will Generate Critical Data for Decision-Making of the Government and the Private Sector"	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes
2) Continued updating and improvement in the attributes of the designated statistics/statistical activities per EO 352	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes
3) Increasing infrastructure and manpower requirements of the PSA in view of its reorganization to strengthen its mandates and functions	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes
b. Adoption of monitoring and evaluation mechanisms for statistical policies and programs	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes

2024-2026 PSS Budgetary Thrusts and Strategies	8-Point Socioeconomic Agenda
c. Development of Statistical Quality Standards for the PSS	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes
d. Adoption of data revolution roadmap/framework	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes Agenda 5 - Create quality jobs
e. Adoption of standards, mechanisms and innovations that will improve efficiency and interoperability of statistical institutions and to facilitate data integration/exchange	
1) Testing of social registry interoperability through token seeding	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes Agenda 2 - Reduce vulnerability and mitigate scarring from the COVID-19 pandemic
f. Modernization of business processes and operations through digitalization and breakthrough innovations	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes
1) Digitalization of statistical activities, processes and reporting including CRVS	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes
2) Pursuance of quality management certification and recertification for statistical process	Agenda 3 - Ensure sound and macroeconomic fundamentals and government processes
