

**Schedule for the Release of Estimates
and Review of the Model-Based Estimation Methodology
for the Annual Food And Poverty Thresholds**

In accordance with the provisions of this Resolution, a schedule of releases and review of the model-based estimation methodology until May 2010 is provided below:

Date of Release	Reference Year of the Estimate/s	Methodology/Remarks
February 2007	2006 and 2007 (preliminary)	Model-based
July-August 2007		Statistical advocacy and public information activities that present the limitations of the methodology towards appreciation of model-based estimation of food and poverty thresholds among data users, in partnership with other government agencies, such as the <i>Bangko Sentral ng Pilipinas</i> , among others
May 2007	2006 (revised)	Menu-based (using actual prices)
December 2007	2008 (preliminary)	Review of the methodology and release of corresponding model-based thresholds
December 2008	2009 (preliminary)	Model-based
December 2009	2010 (preliminary)	Model-based
May 2010		Review of the methodology for generating model-based thresholds
	2007 (revised)	Model-based (using updated/revised model)
	2008 (revised)	Model-based (using updated/revised model)
	2009 (revised)	Menu-based (using actual prices)

The schedule of succeeding releases and review of the methodology beyond May 2010 shall likewise be determined based on the relevant provisions of this Resolution.
