### ERRATA ON THE PRESS RELEASE ON PSA APPROVES THE CONDUCT OF IMPACT EVALUATION OF THE LIGHT RAIL TRANSIT LINE 2 WHICH APPEARED IN THE PSA WEBSITE ON 26 JULY 2018

On the 5<sup>th</sup> paragraph of the press release, the statement on the estimated direct cost of survey was reflected as follows:

"A total budget of Php 689.3 thousand will be utilized for personal services, maintenance and other operating expenses such as travelling expenses, communications, supplies, training and seminar, representation, printing expense and other expenses of this undertaking."

To clarify the cost cited for the survey, the statement is hereby revised as follows:

"A total budget of Php 689.3 thousand will be utilized for the conduct of the survey specifically for personal services, maintenance and other operating expenses such as travelling expenses, communications, supplies, training and seminar, representation, printing expense and other expenses."

**Explanation:** The amount Php 689.3 thousand is the estimated cost in conducting the survey and not the total cost of the study on Impact Evaluation of the Light Rail Transit Line 2.

Given the corrections above, the press release on PSA Approves the Conduct of Impact Evaluation of the Light Rail Transit Line 2 was revised accordingly and can be accessed through our PSA website.
